We have a team of experienced UWI translators/collaborators and we provide translation services in a wide variety of areas including medical, legal, technical, and business texts for the following language pairs:

- Spanish <math>\leftrightarrow</math> English
- French <math>\leftrightarrow</math> English
- Portuguese <math>\leftrightarrow</math> English
- German <math>\leftrightarrow</math> English
- Chinese <math>\leftrightarrow</math> English

Our translations are of a high quality, certified, affordable and fast. The standard cost is BDS\$0.24 per word; however, documents to be translated can also be charged by page, if this is more convenient. The rate may vary according to such factors as text type (i.e. whether the document is legal, literary etc.), the size of the job and the degree of certification required.

- All documents are proofread without affecting the original cost to you.
- Word counts are based on the number of words in the source document.
- Documents can be sent by email or hand delivered.
- All translated documents will be signed and bear the official stamp of the Bureau.
