   “Any candidate who has been absent from the University for a prolonged period during the year for any reason other than illness or whose attendance at prescribed

a medical certificate complying with any applicable Examination Regulations). This request must be made within 48 hours after the stipulated deadline date and must be addressed to the Dean, who in consultation with the relevant Head of Department and course lecturer may allow the extension. The Dean, acting on advice of the relevant Head of Department and course lecturers, may consider requests for extension of the coursework assignment, essays etc. If the extension is not granted the student will not be given any special consideration and will be graded based on both coursework and final examination.

21. An aegrotat degree, diploma or certificate will be awarded without distinction or class.

22. Holders of an aegrotat degree, diploma or certificate will not be permitted to re-enter for the same examination but may proceed to a higher degree if accepted by the Board for Graduate Studies and Research.

GRADE POINT AVERAGE REGULATIONS
(Revised March 2006)

1. The Board for Undergraduate Studies, in the delegated exercise of Senate’s powers as the academic authority for the University under Statute 25, makes the following regulations to govern the Grade Point Average system in the University, effective 2003/2004 academic year for all candidates newly entering a programme. Persons who enter the system prior to 2003/2004 academic year to pursue first degrees will be considered under the GPA scheme effective 2006/2007. All students entering the Faculty of Law in the academic year 2005/2006 and the Faculty of Medical Sciences in the academic year 2006/2007 shall be governed by the GPA Regulations in the calculation of the award of their respective degrees. However, students entering the Faculty of Law prior to 2005/2006 and the Faculty of Medical Sciences prior to 2006/2007 will be treated under the old system of classification. A student who entered the University prior to 2003/2004 and changes his/her major subsequent to the introduction of GPA will be considered to be “newly entering a programme”

2. In accordance with Statute 47 and subject to these regulations all students shall normally spend a minimum of three academic years in the University of the West Indies before being eligible for the award of a First Degree.

3. (i) For purposes of these regulations, the following meanings shall apply, except where the context otherwise requires:

(a) **Credit Hours Earned**: “Credit hours earned” means the credits for each course that count toward the degree requirement and for which a passing grade is obtained.

(b) **Quality Hours**: “Quality hours” means the credits for each course that is included in the GPA calculation. Quality hours shall be assigned even when a grade of F is obtained in a course. Courses that are not used in the determination of the GPA shall be assigned zero quality hours.

(c) **Quality Points**: “Quality points” means the numerical value assigned to the relevant letter grade earned.

(ii) For the purposes of these Regulations:

(a) **Level I, II and III Courses**: Levels I, II and III courses are courses so designated by the Board for Undergraduate Studies.

(b) **Grade Points**: Grade points are determined by multiplying the quality hours by the quality points for a course.

(c) **Grade Point Average (GPA)**: Grade Point Average is the average obtained by dividing the total grade points earned by the total quality hours for which the student has registered for any stated period of time, excluding courses taken on a pass/fail basis, audited courses, courses taken for preliminary credit and courses for which the designation I or IP is awarded under Regulation 6(iv).

(d) **Weighted Grade Point Average**: Weighted Grade Point Average is the average determined by applying appropriate weights for Levels I, II, and III courses to the grade points and the quality hours used in determining grade point average as set out at Regulation 3(ii)(c) above.

(e) **Credit Hours**: The credit values for courses, as well as for projects, laboratory sessions, foreign language classes or other contact hours, shall be determined by the respective Faculty Board and approved by the Board for Undergraduate Studies.

(iii) **Pass/Fail Course Provision**: Credit hours earned in courses taken on a Pass-Fail basis shall not be included in calculating grade point averages.
4. (i) The class of degree shall be awarded on the basis of the Weighted GPA as set out in these regulations.

(ii) In determining the Weighted GPA, the weights to be used for each Level I, II and III course shall be as prescribed in Faculty Regulations.

(iii) Except for the purpose of determining the class of degree the term GPA in these regulations shall mean the GPA as defined at Regulation 3(ii)(c) above.

EQ: Examination Query

(v) The following designations may be assigned and shall count towards the GPA:

FA: When a student is absent from an examination without a valid reason

An I designation is not counted in credit hours earned, or quality hours until a letter grade is reported. If neither a letter grade nor notification of an extension of time is received by the Registry from the Office of Dean, the I designation is replaced by an F letter grade at the end of the first six weeks into the next semester. An extension of time may be granted but shall not normally extend beyond the end of the semester in which the extension is granted. Any remaining I symbol at the end of the period of extension will be deemed an F.

(i) A UWI student who wishes to take academic courses elsewhere and apply those credits toward the UWI degree must obtain approval in advance from the relevant Academic Board on the recommendation of the Board of the Faculty in which he/she is registered.

(ii) A student must have obtained a minimum UWI GPA of 3.00 to be approved to take courses as an exchange/transfer student.

(iii) Only the grade equivalent as determined by the Board for Undergraduate Studies of the results achieved and not the marks or grades so earned at another institution shall be used in the computation of the student’s GPA.

8. The courses to be used for the purpose of determining the Weighted GPA for the class of degree to be awarded shall be as prescribed in Faculty Regulations.

9. Where a course has been repeated, the penalty to be applied for failure and the grade to be used in the computation of the student’s GPA if the course is subsequently passed, shall be as prescribed in Faculty Regulations.

10. For the purpose of determining the Weighted GPA, failed courses shall be treated as prescribed in Faculty Regulations.

11. (i) Where credit for a course taken at another institution is requested, it is the student’s responsibility to provide all the information needed by the University to enable it to assess the course.

(ii) Credit hours earned from another institution at the time of admission to the University of the West Indies will not be used in the computation of a grade point average.

12. The following shall apply to credits earned by a UWI undergraduate from another approved institution:

(i) A UWI student who wishes to take academic courses elsewhere and apply those credits toward the UWI degree must obtain approval in advance from the relevant Academic Board on the recommendation of the Board of the Faculty in which he/she is registered.

(ii) A student must have obtained a minimum UWI GPA of 3.00 to be approved to take courses as an exchange/transfer student.

(iii) Only the grade equivalent as determined by the Board for Undergraduate Studies of the results achieved and not the marks or grades so earned at another institution shall be used in the computation of the student’s GPA.

13. (i) Except where otherwise prescribed in Faculty Regulations, a student whose GPA for a given semester is less than or equal to 0.75 shall be deemed to be performing unsatisfactorily, and shall be placed on warning. A student on warning whose GPA for the succeeding semester is less than 0.75, will be required to withdraw. However, a student may be reinstated if his/her GPA improves beyond 0.75 by credits obtained in Summer School. Then the credits would be rolled in to the GPA of the preceding Semester of the academic year.

(ii) A student on warning shall be counselled by the Dean or a designated faculty advisor. Such a student may, except where otherwise prescribed in Faculty Regulations, be permitted by the Academic Board on the recommendation of Faculty Board to carry a reduced course load.

14. (i) A registered student may be permitted to audit a course on the approval of the Dean and the Head of Department.

(ii) Auditing means recorded attendance at the lectures, tutorials and laboratory sessions for a given course without the requirement of sitting the final exam.

(iii) Satisfactory attendance certified by the Head of Department shall be awarded the designation V.
In absence of such certification, the designation NV shall be recorded.

(iv) No academic credit may be granted for auditing a course.

15. (i) A student who voluntarily withdraws from the University and who applies for re-admission within five (5) years shall be granted exemption and credit for courses previously passed, subject to the time limit for the maintenance of credits stipulated in the relevant Faculty Regulations and subject to the stipulation that the courses previously passed are not determined by the Board of the relevant Faculty to be obsolete.

(ii) Where exemption and credit are granted in accordance with (i), the grades obtained at previous attempts at such courses shall be used in the determination of the student’s GPA.

16. A student who was required to withdraw for reasons of failure to progress as prescribed in Faculty Regulations may be readmitted on the following conditions:

(i) A minimum of one (1) year must have passed since the date of withdrawal;

(ii) All grades previously obtained shall continue to apply for the purpose of determining the student’s GPA;

(iii) Work done during the period between the student being required to withdraw and being granted readmission may be eligible for credit under Regulation 11.

17. Where there is a conflict between Faculty Regulations and these regulations, these Regulations shall apply.

HOW TO CALCULATE YOUR WEIGHTED GPA

STEP ONE: A ‘grade point’ is assigned for every course in which you receive a final grade. For example, if you receive an A as a final grade, you will be assigned a grade point of 4.0.

STEP TWO: The grade point assigned for each course completed is multiplied by the ‘credit hours’ of the course to determine your ‘quality points’. For example, if you receive a grade point of 3.7 [equivalent of letter grade A-] for a 3-credit course the quality points would be calculated as follows: 3.7 X 3 = 11.1 quality points.

STEP THREE: Your ‘Weighted GPA’ is the average obtained by dividing the total quality points earned in your programme to date by the total credit hours taken, excluding courses taken on a pass/fail basis, audited courses, courses taken for preliminary credit, incomplete courses and any other courses which do not count towards the class of degree according to Faculty regulations.

For example: 54 quality points earned divided by 15 credit hours [equivalent to 5 3-credit courses] = a Weighted GPA of 3.6.
UNIVERSITY REGULATIONS ON PLAGIARISM (First Degrees, Diplomas and Certificates)

Application of these Regulations
1 These Regulations apply to the presentation of work by a student for evaluation, whether or not for credit, but do not apply to invigilated written examinations.

Definition of plagiarism
2 In these Regulations, “plagiarism” means the unacknowledged and unjustified use of the words, ideas or creations of another, including unjustified unacknowledged quotation and unjustified unattributed borrowing;

“Level 1 plagiarism” means plagiarism which does not meet the definition of Level 2 plagiarism;

“Level 2 plagiarism” means plagiarism undertaken with the intention of passing off as original work by the plagiariser work done by another person or persons.

3 What may otherwise meet the definition of plagiarism may be justified for the purposes of Regulation 2 where the particular unacknowledged use of the words, ideas and creations of another is by the standards of the relevant academic discipline a function of part or all of the object of the work for evaluation whether or not for credit, for example:

a. The unacknowledged use is required for conformity with presentation standards;

b. The task set or undertaken is one of translation of the work of another into a different language or format;

c. The task set or undertaken requires producing a result by teamwork for joint credit regardless of the level of individual contribution;

d. The task set or undertaken requires extensive adaptation of models within a time period of such brevity as to exclude extensive attribution;

e. The task set or undertaken requires the use of an artificial language, such as is the case with computer programming, where the use of unoriginal verbal formulae is essential.

4 It is not a justification under Regulations 2 and 3 for the unacknowledged use of the words, ideas and creations of another that the user enjoys the right of use of those words, ideas and creations as a matter of intellectual property.

Other definitions
5 In these Regulations,

“Chairman” means the Chairman of the relevant Campus Committee on Examinations;

“Examination Regulations” means the Examination and other forms of Assessment Regulations for First Degrees Associate Degrees Diplomas and Certificates of the University;

“set of facts” means a fact or combination of facts.

Evidence of plagiarism
6 In order to constitute evidence of plagiarism under these Regulations, there shall be identified as a minimum the passage or passages in the student’s work which are
considered to have been plagiarised and the passage or passages from which the passages in the student’s work are considered to have been taken.

**Student Statement on Plagiarism**

7 When a student submits for examination work under Regulation 1, the student shall sign a statement, in such form as the Campus Registrar may prescribe, that as far as possible the work submitted is free of plagiarism including unattributed quotation or paraphrase of the work of another except where justified under Regulation 3.

8 Quotation or paraphrase is attributed for the purpose of Regulation 7 if the writer has indicated using conventions appropriate to the discipline that the work is not the writer’s own.

9 The University is not prohibited from proceeding with a charge of plagiarism where there is no statement as prescribed under Regulation 7.

**Electronic vetting for plagiarism**

10 The results of any electronic vetting although capable, where the requirements of Regulation 7 are satisfied, of constituting evidence under these Regulations, are not thereby conclusive of any question as to whether or not plagiarism exists.

**Level 1 plagiarism**

11 In work submitted for examination where the Examiner is satisfied that Level 1 plagiarism has been committed, he/she shall penalise the student by reducing the mark which would have otherwise been awarded taking into account any relevant Faculty regulations.

**Level 2 plagiarism**

12 Where an examiner has evidence of Level 2 plagiarism in the material being examined, that examiner shall report it to the Head of Department or the Dean and may at any time provide the Registrar with a copy of that report. In cases where the examiner and the Dean are one and the same, the report shall be referred to the Head of the Department and also to the Campus Registrar.

13 Where any other person who in the course of duty sees material being examined which he or she believes is evidence of Level 2 plagiarism that other person may report it to the Head of Department or the Dean and may at any time report it to the Campus Registrar who shall take such action as may be appropriate.

14 Where a Dean or Head of Department receives a report either under Regulation 12 or 13, the Dean or Head of Department, as the case may be, shall

   a. where in concurrence with the report’s identification of evidence of Level 2 plagiarism, report the matter to the Campus Registrar; or

   b. where not concurring in the identification of evidence of plagiarism, reply to the examiner declining to proceed further on the report; or

   c. where concluding that there is evidence of Level 1 plagiarism, reply to the examiner indicating that conclusion and the Examiner shall proceed as under Regulation 11.

15 Where a report is made to the Campus Registrar under Regulation 14a or 16, the Campus Registrar shall lay a charge and refer the matter to the Campus Committee on Examinations.
16 Where the Campus Registrar receives a report alleging Level 2 plagiarism from the Examiner or any other person except the Dean or Head of Department, the Campus Registrar shall refer the matter to a senior academic to determine whether there is sufficient evidence to ground a charge of plagiarism and where such evidence is found, the Campus Registrar shall proceed as under Regulation 15.

17 Where the matter has been referred to the Campus Committee on Examinations pursuant to Regulation 15, the proceedings under these Regulations prevail, over any other disciplinary proceedings within the University initiated against the student based on the same facts and, without prejudice to Regulation 21, any other such disciplinary proceedings shall be stayed, subject to being reopened.

18 If the Campus Committee on Examinations is satisfied, after holding a hearing, that the student has committed Level 2 plagiarism, it shall in making a determination on the severity of the penalty take into consideration:

   a. the circumstances of the particular case;

   b. the seniority of the student; and

   c. whether this is the first or a repeated incidence of Level 2 plagiarism.

19 Where the Campus Committee is of the view that the appropriate penalty for an offence of Level 2 plagiarism is for the student to be:

   (i) awarded a fail mark;

   (ii) excluded from some or all further examinations of the University for such period as it may determine;

   (iii) be dismissed from the University, it shall make such recommendation to the Academic Board.

Clearance on a charge of Level 2 plagiarism
20 A determination of the Campus Committee on Examinations that Level 2 plagiarism has not been found will be reported to the Campus Registrar who shall refer it to the Examiner and notify the student. Where the Committee has not identified Level 2 but has identified Level 1, it shall be reported to the Campus Registrar who shall refer it to the examiner.

Level 2 plagiarism: Appeal to the Senate
21 A student may appeal to the Senate from any decision against him or her on a charge of plagiarism made by Academic Board.

Delegation by Dean or Head of Department
22 The Dean or Head of Department, as the case may be, may generally or in a particular instance delegate that officer’s functions under these Regulations.

Conflict of interest disqualification
23 Any person who has at any time been an examiner of work or been involved in procedures for laying charges in relation to which an issue of plagiarism is being considered under these Regulations shall withdraw from performing any functions under these Regulations other than those of supervisor and examiner.
