HALLS OF RESIDENCE

Dear Residents,

In light of the pending weather system approaching the island, we wish to advise persons to take the following precautionary measures to help ensure your safety & well-being.

Preparation Checklist

Before the storm

- Plenty of bottled water
- A flashlight (and plenty of batteries!)
- Radio that uses batteries
- Non-Perishable Food items that don't need to be refrigerated or cooked, like canned foods, crackers, granola bars, etc.
- Cash (ATMs and card readers won't work if the power goes out)
- Charge your phone/power banks (Have an additional charger)
- Get laundry done (you don't want to be stuck in dirty clothes!)
- Shower (in case we lose water)
- Secure all your windows
- If you're on the ground floor, unplug and move everything you don't need in case of flooding
- Lock up valuables in a drawer/storage box
- Pack a bag with clothing, toiletries, and any other essentials you use in case you have to evacuate

During the storm

- Listen for information/announcements from your R.A or campus security
- Stay indoors unless directed otherwise by a campus official
- Stay away from windows
- Keep a record of any damage that occurs to your room from the storm
- Get in contact with your family and keep them updated
- Communicate with your fellow residents
- Most importantly, stay calm
