CIBC FirstCaribbean International Bank Research Grants 2021-2022

Guidelines for Funding and Application

1. Grants are awarded for one year only.
2. The selection of applications will be done in November 2021 and communicated to applicants accordingly. Research Projects must begin by January 2022 and be completed within one calendar year.
3. The selection of applications will be made by the MOU Oversight Committee comprising University and CIBC FCIB representatives.
4. Grant funds may not be used for purchasing computers, hardware and other acquisitions of a capital nature.
5. Awardees will be required to present the findings of their research in a public forum to ensure wide dissemination.

Selection Criteria

1. The extent to which the study promotes and highlights issues that are relevant and of importance to the banking and financial services sector in the region.
2. Evidence of the ability of the applicant to complete the research.
3. Likely impact of the research on the Banking and Financial Sector.
4. Likely contribution to teaching and training in the field of Banking and Finance.
