THE ARMS OF THE UNIVERSITY

The arms of the University consist of a shield and a crest.

The background of the shield is the sea represented by blue and white wavy lines on which is an open book. The upper part of the shield is red with a lion to show the connection with the Crown. This is the lion borne by H.R.H. Princess Alice, Countess of Athlone, appointed by King George VI to be the first Chancellor, so that this appointment is recorded forever in the Arms of the University.

The crest is the brown pelican which fishes in its prehistoric fashion along the coast of all the Caribbean Lands: the pelican is a symbol of care for the young because of the medieval, but untrue, belief that it punctures its breast to feed its young on its blood. It is also used as a crest by the Corpus Christi Colleges of Oxford and Cambridge.

THE MOTTO OF THE UNIVERSITY

“Oriens ex Occidente Lux:

“A Light Rising from the West”
Welcome

I am delighted to welcome you all to The University of the West Indies family! You are entering the academy at an exciting time in our evolution. The UWI family now includes the Five Islands Campus in Antigua and Barbuda where, from September 2019, we will be providing expanded services to the countries of the OECS. The Five Islands Campus joins the four existing campuses - the Cave Hill Campus located in Barbados, the Mona Campus in Jamaica, the St. Augustine Campus in Trinidad and Tobago and the Open Campus which provides face-to-face and on-line delivery of courses and continuing professional education in almost 50 sites across the seventeen countries served by The UWI. Your new, extended family consists of almost 50,000 students and 5,000 staff and includes 220,000 alumni represented at the highest levels of government, corporate and professional life across the Caribbean and worldwide.

You are also joining our community at a time when our global reputation is at an all-time high. The Times Higher Education, the world’s foremost university ranking system has ranked The UWI among the top 5% of universities in the world for 2019. Keen attentiveness to achieving the three key pillars of the current 2017-2022 Strategic Plan: Alignment of industry and academia for wealth creation and distribution; expansion of Access to tertiary education and Alertness to global opportunities has provided the impetus for this achievement. We continue to strive for ever higher levels of recognition as reputation is a key factor in assuring our continued success in these rankings.

A key element in the rankings was our international outreach. We have increased our global reach to provide opportunities for collaboration and to facilitate movement of students and faculty. Through programmes such as the Erasmus Mundus and CARPIMS mobility schemes, the UWI-China Institute for Information Technology, cooperation agreements with Sophia University in Japan, the State University of New York, joint degree programmes, partnerships in Latin America, specifically in Colombia, and with new Institutes established in collaboration with the University of Johannesburg in South Africa, the University of Lagos in Nigeria, and Brock University in Canada, The UWI is more globally connected that it has ever been. I urge you to learn about these institutes and to take advantage of all the opportunities available to you for academic work and for travel across the world to meet and engage with students from other countries and cultures.

MESSAGE FROM THE VICE-CHANCELLOR

Continued...
You will be part of achieving the vision we have articulated for the next 5 years: To be an excellent global university rooted in the Caribbean. We shall be calling upon you and the entire student body, to play a role in maintaining our relevance thorough sustained high performance in academics, sports, innovation and service to our community.

The friendship and networks you build over the next few years will extend beyond your University life and some will last a lifetime. Take every opportunity presented you to travel to another campus or another of the countries served by The UWI and beyond our regional borders. We are working towards ensuring that all students benefit from teaching by faculty members from another campus in order to deepen your learning experience as members of a regional university. We have begun to deliver the Foundation Courses online thereby creating a culture of cross campus teaching. Students will be brought together across physical boundaries, taught by a single lecturer and this we hope, will help to give each of you a truly regional university experience. We hope that your relationship with us will extend beyond your graduation and that you will continue to be engaged as alumni.

Each year, our new students inspire enthusiasm and hope. Your University is committed to ensuring that we deliver programmes of high quality and relevance to national and regional development. Your enthusiasm and engagement help us to stay the course. Our contributing Governments continue to be supportive. However, we are mindful of the challenges they themselves face in meeting their many obligations and The UWI has been making efforts to diversify the funding base to complement existing funding sources and to streamline operations to make them more efficient and cost effective. Your responsibility will be to ensure that the resources expended in your training are maximised as much as possible. Whether you are funded by your Governments, your families or yourselves, it is an investment in your future, in our collective future.

My best wishes to each of you for a fulfilling and rewarding experience at the UWI!

Blessings

Professor Sir Hilary Beckles
Vice-Chancellor, The University of the West Indies
I am delighted to welcome our new students into The UWI family. As Principal of the Cave Hill Campus, I am very pleased that Cave Hill, the campus by the sea, is your campus of choice. In deciding to pursue your education at Cave Hill, you are entering a distinguished institution with a proud and rich heritage of commitment to teaching, research and service to the region and the world. In 1948, The UWI started with 33 students. Today we can boast an enrolment of over 50,000 students and more than 120,000 alumni. The Times 2018 Higher Education Survey ranked The UWI, 1st in the region, 37th among the best 129 universities in Latin America and the Caribbean, and among the top five per cent in the world! This outstanding achievement and recognition speaks volumes with respect to the quality of The UWI’s teaching and research. This is an exciting time for The UWI, and I assure you that your journey at our esteemed University will transform your lives and the lives of your families and communities.

You are entering Cave Hill just when the Campus earned institutional accreditation for seven more years, after undergoing a rigorous process of peer review and evaluation. This accreditation guarantees international recognition of the degrees awarded. Accreditation validates the quality of our institution’s offerings, and we are proud to have received such a resounding vote of confidence by the Barbados Accreditation Council based on the report of the international review team.

As an alumna, teacher, researcher and the leader of this great institution, I am deeply committed to your development and success, and to ensuring that you are exposed to the highest quality educational experience. You have my personal, sincere commitment to provide the highest standards of programme delivery and an enhanced learning environment within the constraints of our current resources. I intend to listen to your concerns, while ensuring that faculty and staff at all levels deliver the quality service that we have agreed to provide.

As a student of The UWI, you have a very important role to play in the life and future of this institution. You are the fortunate beneficiary of the wisdom and contributions of those who have gone before you over the last 71 years. You also have the

MESSAGE FROM THE PRINCIPAL Continued ...

responsibility of both maintaining the legacy and continuing to define The UWI of today. Even more importantly, you are being entrusted to guard and protect its proud legacy in order to ensure a great future for those who will follow in your footsteps.

As you peruse this Handbook, I hope you will actively consider all the possibilities the Campus offers you. You will discover numerous opportunities to extend your learning and research inside and outside of the classroom. Use these opportunities to venture beyond your comfort zone. Take an active part in your education and make the time to reflect on who you are and who you are trying to become. Wherever possible, take classes in areas that introduce you to fields and ideas outside of your majors, and which will help you develop new ways of thinking and understanding. Participate in activities you have never experienced, and seize all opportunities to reach out to, and connect with people who are different from you.

In your early days, life on Campus may seem to be confusing and sometimes overwhelming. Remember that there are many persons available to help you work through these moments, both academically and otherwise. Our competent staff in the Office of Student Services (OSS), the Student Enrolment and Retention Unit (SERU) and across the entire Campus are here to serve you.

I offer you my very best wishes for a healthy, happy and productive period of study here at The UWI, Cave Hill Campus – a Smart Campus for the 21st Century. May this academic year be exciting, fulfilling and rewarding.

Welcome to your future!

Prof. V. Eudine Barriteau, GCM

Pro Vice-Chancellor and Principal

MESSAGE FROM THE GUILD PRESIDENT

On behalf of the Guild of Students I extend a very warm welcome to all our undergraduate and graduate students, returning or new.

Your pursuit of higher education indicates that you value the opportunity to build on your formative years as a student. I am confident that you will find your respective areas of study professionally expansive, intellectually stimulating and personally enriching.

I urge full-time students to approach their tasks with undivided focus and effort, and those who are part-time, to ensure that you manage all your responsibilities in such a way, that your study is not negatively affected. Proper time management is pivotal to your development as a scholar, hence this is the arena to hone that skill.

I trust that you will utilize your membership at this university as an opportunity to broaden your exposure, by attending a wide variety of social and academic events, as well as to capitalize on the interaction with each other.

At the University of the West Indies Cave Hill Campus you will find exceptional experiences that allow you to grow and develop, explore new interests, and fully realize your potential. The Guild of Students is one such entity that provides that opportunity.

The Guild is a team of elected students, and we exist purely to make students' life at the University of the West Indies Cave Hill Campus as enjoyable, successful, safe and memorable as possible.

As President of the Guild of Students, I take great pleasure to inform you that the Guild is one of the most important aspects of this university. We exist to formulate policies, create directions and to represent you, the students in every way. We listen to our students to find out the best way for us to assist, and develop programmes and strategies to enhance the university experience for every student. The best part of all, is that as a student, you are automatically a member of the Guild.

The Guild of Students look forward to interacting with you and to benefit from your presence and participation.

Ms. Thacher Loutin
President, Guild of Students 2019-2020,
The University of the West Indies, Cave Hill Campus
THE UNIVERSITY OF THE WEST INDIES, CAVE HILL CAMPUS IN BRIEF

The University of the West Indies (UWI) is a regional university serving the English-speaking Caribbean countries of Anguilla, Antigua and Barbuda, Barbados, Belize, Bermuda, The Commonwealth of Dominica, Grenada, Jamaica, Montserrat, Federation of St. Kitts & Nevis, St. Lucia, St. Vincent & the Grenadines, The Bahamas, The British Virgin Islands, The Cayman Islands, The Turks & Caicos Islands, and Trinidad & Tobago.

The University started in Jamaica in October, 1948 as the University College of the West Indies in a special relationship with the University of London, UK. It was subsequently granted University status in 1962. In the following year Colleges of Arts and Sciences were established in Trinidad & Tobago and Barbados.

In August 1967 the College of Arts & Science in Barbados was moved from its temporary quarters at the Deep Water Harbour, Bridgetown to its present site at Cave Hill, St. Michael. The College became a full campus with the establishment of the Faculty of Law in 1970 and the name was changed to the Cave Hill Campus of The University of the West Indies.

The main Campus is located on 47 acres of land which The UWI holds on long-term lease from the Government of Barbados. The physical expansion has taken place in a manner sympathetic to the original architectural design of low-rise buildings, simplicity and orderliness. This, combined with the scenic attractiveness of the site and the relatively small size of the University community, has resulted in an atmosphere of intimacy and friendliness which is immediately felt by visitors to the Campus.

In 2008 the Government of Barbados granted an additional 33 acres of land contiguous to the existing campus which the University continues to develop. The Postgraduate Teaching Complex and a FIFA-rated football field are located on this site. Through subsequent lease arrangements with Government and a private donation, the land area of the Campus has expanded to almost 100 acres.

From its nascence in 1963 as the College of Arts and Science, the Cave Hill Campus has become a leader in tertiary education and an internationally-recognised beacon of academic excellence.

In 2013 the Campus celebrated its golden anniversary reflecting with pride on its contribution to regional development and the upliftment of Caribbean people. In 2016 Cave Hill joined the Government and people of Barbados in celebrating our host country’s 50th anniversary of Independence.
BARBADOS in brief

- Barbados is the most easterly island of the Caribbean island chain. The closest islands are St. Vincent & the Grenadines and St. Lucia located to the west, and Trinidad & Tobago located to the south. Barbados is located approximately 2,573 km (1,600 miles) southeast of Miami, Florida.

- The island’s total land area is 430 sq. km (166 sq. miles). It measures 33.79 km (21 miles) long by 22.53km (14 miles) wide and is divided into eleven parishes. The capital city, Bridgetown, is located in the parish of St. Michael. The Historic Bridgetown and Garrison area was designated a World Heritage Site in June 2011.

- Barbados falls within the Atlantic time zone. The standard time is Greenwich Mean Time minus four hours. Barbados does not observe daylight saving time.

- Bounded by the Caribbean Sea and the Atlantic Ocean, Barbados enjoys north-east trade winds all year which help to keep the island cool. The island experiences a dry season from December to May, and a rainy season between June and November. The average temperature is 28 degrees Celsius (82.4 degrees Fahrenheit).

- Barbados was first inhabited by the Arawak Indians who migrated from Venezuela. It is believed that they inhabited the island from 350-400 BC. When the British arrived in 1625 they found the island uninhabited and they claimed it in the name of King James I. Two years later on February 17, 1627 the first settlers landed on the west coast of the island, near what is now called Holetown (formerly Jamestown).

- Barbados has been a sovereign independent state within the Commonwealth since 1966 when full independence was gained from Britain. However, ties to the British monarchy are still maintained through the Governor-General.

- The Government of Barbados is a parliamentary democracy where the political party with the greatest representation in parliament forms the government. The leader of government is the Prime Minister, who selects a cabinet from party members in the legislature. The first leader of Barbados as an independent nation was the Right Excellent Errol Walton Barrow. The current Prime Minister is The Right Honourable Mia Mottley, Q.C., M.P.

The Academy of Sport acknowledges of the challenges student athletes face in balancing their academic commitments with sports. It therefore supports its student athletes through a mentorship program involving academic support in the form of tutoring and counselling.

Sports at Cave Hill is always exciting, and with the help of ‘Chilly’ our Blackbird mascot and our cheerleaders, we encourage a sporting spirit across the Campus.

ENGLISH LANGUAGE PROFICIENCY

NEW UNDERGRADUATE STUDENTS

(a) The English Language Proficiency Test (ELPT) is used to assess whether persons offered places in undergraduate degree programmes at the UWI Cave Hill Campus possess a satisfactory level of writing and reading proficiency in English for University academic purposes. The ELPT is used as a diagnostic tool and entrants who pass the test are allowed to enter directly into the Academic Literacies (formerly Foundation Languages) Programme.

(b) Entrants who were unsuccessful or were unable to take the ELPT in April 2019 are required to take FOUN0100 Fundamentals of Written English – before going on to take the Academic Literacies courses. There is a charge of BDS$500.00 to register for the course FOUN0100. This fee is assessed and added to your account on registration and must be settled during the normal period.

(c) Entrants are allowed to take the ELPT only once and results are valid for five years.

NEW POSTGRADUATE STUDENTS

Any postgraduate student whose first language is not English is required to submit results of a recent TOEFL or approved EFL test prior to registration.

MATHEMATICS PROFICIENCY TEST

NEW UNDERGRADUATE STUDENTS

(a) The Mathematics Proficiency Test (MPT) is administered to all incoming undergraduate students to the Faculty of Social of Sciences. The test is used to determine whether a student requires assistance to bring his/her mathematical skills up to the level necessary to complete an undergraduate degree in the Faculty of Social Sciences. Students who pass the test, or are exempted, are allowed to register for ECON1003 – Mathematics for Social Sciences 1 and ECON1005 – Introduction to Statistics.

(b) Entrants who were unsuccessful or were unable to take the MPT are required to take ECON0101 Preliminary Mathematics for the Social Sciences. There is a charge of BBD$500 to register for ECON0101. This fee is assessed and added to your account on registration and must be settled during the normal period.

(c) Entrants are allowed to take the MPT only once and results are valid for five years.
ORIENTATION AND COUNSELLING SESSIONS

Orientation sessions focus on helping new students adjust to life at the Cave Hill Campus. Students obtain information on where to get assistance, are sensitised to safety and security issues, and get tips on how to succeed with their studies and maximise the benefits of their university education. Regional and International students will get special insights into Barbadian society as well.

During Orientation week various Campus tours as well as other activities are coordinated by the Office of Student Services and the Guild of Students.

YOU ARE ENCOURAGED TO ATTEND ALL OF THE EVENTS THAT HAVE BEEN DESIGNED TO MAKE YOUR ENTRY TO THE UNIVERSITY AS SMOOTH AS POSSIBLE.

INTERNATIONAL STUDENTS

Orientation for International Students including students on Study Abroad and Exchange is organised by the International Office of the Student Enrolment and Retention Unit (SERU). Students who are part of the Student Exchange Programme are required to meet with Mrs. Paula Jarvis in the SERU upon arrival at the Campus.

International students are also invited to all orientation activities organised by the University for the benefit of incoming students, as well as to activities organised by the Students’ Guild.

UNDERGRADUATE STUDENTS COUNSELLING

Undergraduate students must first be counselled in their Faculties before they attempt to register for courses. New students are therefore expected to attend the Welcome Address given by their Dean and then meet with Faculty Academic Advisors. Advisors will discuss with each student his/her intended programme, and help the student choose an appropriate combination of courses.

Note: Students who wish to register for an elective course in Management or Law must first obtain the written approval of their Dean.

POSTGRADUATE STUDENTS COUNSELLING

The orientation session for new postgraduate students in face-to-face programmes will be held on Tuesday, August 28, 2019 at 5:30 pm. During this session, postgraduate students will receive information on general administrative processes and student support services. They will then meet with their Programme Coordinator / Academic Advisor / Supervisor for academic counselling.

Faculties and Departments may also arrange other orientation events.

**REGISTRATION TERMINOLOGY**

**ADD/DROP:** This is the period in which you may adjust your registration by adding or deleting courses without penalty.

**CORE COURSE:** A course that is required for your degree programme.

**COURSE CODE:** An alphanumeric code used to identify a course, thesis, research paper, or seminar, e.g. IMGT6030. The letter part of the code identifies the subject (in this case International Management) while the ‘6’ indicates that it is a postgraduate level course.

**COURSE LOAD:** The maximum number of credits you are permitted to take as a full-time or part-time student.

**CRN (COURSE REFERENCE NUMBER):** The 5 digit-number used to identify a particular section of a course.

**ELECTIVE COURSE:** A course not specifically required as part of your programme, but one which you can use to meet the credit requirements of the programme.

**FULL-TIME POSTGRADUATE STUDENT:** This is a student who is taking the maximum number of courses permitted by the programme regulations. It does not refer to the time of day as many courses are held in the evenings or on weekends.
**FULL-TIME UNDERGRADUATE STUDENT:** You are considered a full-time undergraduate student if you are taking a course load of twelve (12) or more credits per semester.

**HOLD:** A Hold is a block placed on a student’s record for financial reasons, failure to return library books or while examination results are pending declaration. Your CHOL account will indicate the type of Hold. If the Hold is financial or library-related then it cannot be removed without the intervention of the Bursar or Librarian. Grade Holds are automatically removed after examination results have been officially declared.

**PART-TIME POSTGRADUATE STUDENT:** This is a student who is taking fewer than the maximum number of courses permitted by the programme regulations. It does not refer to the time of day of the courses as many postgraduate classes are held in the evenings or weekends.

**PART-TIME UNDERGRADUATE STUDENT:** You are considered a part-time undergraduate student if:

- You are in the Faculty of Science & Technology, Faculty of Social Sciences, Faculty of Sport, Faculty of Humanities & Education, or the Faculty of Law and register for a maximum of three courses per semester.

- If you are in the Faculty of Medical Sciences, and not undertaking a full-time course load.

**PRE-REQUISITE:** This is a course that must be taken successfully before you can register for another course. For example, if CHEM0100 is a prerequisite for CHEM0200, you will not be able to register for CHEM0200 until your record shows successful completion of CHEM0100.

**RESTRICTION:** The student administration system applies registration filters which will block you from selecting certain courses. These restrictions may be based on:

- **level** (if trying to select a postgraduate course as an undergraduate student or vice-versa),

- **programme** (if trying to select a course that is not a part of your programme),

- **college** (if trying to select a course from a different faculty),

- **duplication** (you may be trying to register for the same course with 2 different section numbers),

- **pre-requisite** (if trying to register for a course that has a pre-requisite, where you have not yet completed that pre-requisite),

- **repeat** (if trying to register for a course which has an open registration from a previous semester),

- **course load** (if trying to register for a full-time course load while a part-time student).
SEMESTER: This is normally a 13-week period of instruction (including examinations). Semester 1 runs from the end of August until the middle of December, Semester 2 runs from January until the middle of May. The summer session is not an official semester and runs from late May to July. The Campus runs a summer school for undergraduate students during this period. Many postgraduate programmes have courses or internships during the summer session.

No Guild or Amenities fees are charged for summer registration.

IDENTIFICATION CARDS

Issue of Cards

(a) Every student must have a valid student identification (ID) card which they must produce at the library, Student Guild, examination rooms and other places as may be requested. The card must be visibly worn at all times while on the University Campus.
(b) Arrangements for issue of ID cards will be posted on the registration webpage www.cavehill.uwi.edu/chol. Accommodation will be made for students who need to register before or after the published dates.

**Note:** If you have changed your Faculty you must receive a new ID Card.

**Renewal of ID cards** is required when the card has expired. Continuing students must present proof of payment of fees for renewal of their ID cards. Renewals are done in Student Affairs, Records.

**Replacement of ID cards** is required when an ID card has been damaged, lost or stolen. If an ID card is lost, this must be reported immediately to Student Affairs, Records. A student will be issued with a new ID card when he/she presents the receipt for payment of BBD$30.00 for a replacement (along with the damaged ID, if applicable) to Student Affairs, Records.

The student ID card is the property of the University and must be returned to Student Affairs, Records on completion of the programme for which the student is registered, or on withdrawal from the University.

**CAMPUS SECURITY AND SAFETY**

While the Campus and island of Barbados are relatively safe, students are advised to take sensible safety precautions. Students should exercise caution when travelling near wooded areas in the environs of the Campus, avoid walking alone near these areas in the late evening and at night, and use the clearly defined walkways and access roads to the Campus.

Students are also very strongly advised to accept car rides only from persons well known to them and to report any suspicious looking person seen on the Campus to the security personnel. Students living in Halls of Residence are reminded to secure their books, personal belongings, money etc., and to make sure their rooms are locked before leaving.

Students should note that as a safety and security measure, they may be stopped and challenged on Campus by authorised security personnel. For this reason, **students should visibly wear their Student ID card**.

The Campus Registrar invites students to report to him, through the President of the Guild of Students, any security or safety risks which need attention and in particular, structural defects to buildings, damage to windows, doors, and the like.

**STUDENT VISAS**

Non-Barbadian students must obtain a student visa. This process is started after you arrive on Campus. The visa is granted for one year on completion of a Certificate of Eligibility (H-1 and H-2 forms) from the University and is renewable on completion of a Non-Immigration Notice and Report Form (H-3). To comply with the immigration requirements **new students** must submit the completed application forms (H-1 and H-2) and **continuing students** must submit the (H-3) form along with:
1) One (1) passport size photograph for new students and continuing students
2) Proof of accommodation
3) Proof of financial support (which must be submitted along with your offer letter to the Records Office before you arrive in Barbados). Ensure you have copies for Barbados Immigration officials who may request them.
4) Birth certificate
5) Passport
6) Police Certificate of Character
7) Application fee of BDD$300.00*

* The Government of Barbados has agreed to waive the visa application fee of BDS$300.00 for citizens of the countries that contribute to the University’s recurrent budget.

Students from a contributing country who hold a foreign (e.g. Canadian) passport must satisfy immigration of their citizenship of a contributing country. The contributing countries are Antigua & Barbuda, Anguilla, Barbados, Belize, Bermuda, The Bahamas, The British Virgin Islands, Cayman Islands, Dominica, Grenada, Jamaica, Montserrat, St Kitts & Nevis, St Lucia, St Vincent & The Grenadines, Trinidad & Tobago and Turks & Caicos.

Students must be properly registered with fully paid fees before submitting the completed forms and supporting documents to Student Affairs, Records. This submission must be made within two (2) weeks of the start of your programme. That office will liaise with the Immigration Office on your behalf.

Students must submit their passports to the Immigration Office for endorsement on receipt of the visa which is normally issued at the beginning of Semester II.

All immigration forms H-1, H-2 and H-3 may be downloaded from www.immigration.gov.bb/pages/downloads.aspx

STUDENT AFFAIRS, EXAMINATIONS

Students are normally required to write examinations at the end of each semester, i.e. December, April/May and at the end of the summer session in July. Examinations are administered in accordance with the University’s Examination Regulations.

Supplemental examinations where permitted, take place in July/August or as prescribed by Faculty Regulations. The examination timetable is published on the official notice board at least one (1) month in advance of examinations. Only registered students in good financial standing are allowed to write examinations.

Overseas students should note that examinations are held simultaneously on the three Campuses of the University and only in very exceptional circumstances would they be permitted to write an examination outside of the schedule. Since the semester ends after the examination period, students should book their passage to travel after the semester ends.
Examination Cards

The Cave Hill Campus requires each student writing examinations to possess a valid examination card. The schedule for collecting examination cards is available from the Examinations Office (undergraduate students) or the Graduate Studies Complex (postgraduate students). The schedule is also published online.

Examination cards are issued to students who are in good financial standing.

Students must present both their student identification and examination cards to enter examination rooms and must collect examination instructions from the Examinations Office.

Conduct during Examinations

The University views cheating in examinations, including the introduction or use of unauthorised materials and devices, as a very serious offence. The penalties imposed if an allegation of cheating is admitted or proven include the following:

1) Disqualification from the examination in the course concerned.
2) Disqualification from all examinations taken in that session.
3) Disqualification from all further examinations of the University, for any period of time.
4) A discretionary additional fine.

CELLULAR PHONES AND OTHER ELECTRONIC OR COMMUNICATION DEVICES CAPABLE OF WIRELESS ACCESS TO THE INTERNET ARE NOT PERMITTED IN AN EXAMINATION ROOM.

Registration for “Examinations Only” (Undergraduate students)

Some Faculties’ Regulations permit undergraduate students who are finalising to register “Examinations Only” under specific circumstances. To do so, students must apply to the Dean of the relevant Faculty. The following rules apply for sitting examinations only:

1) The student must be a finalising student and have a maximum of two courses to complete, and
2) The student must have at least a mark of 45% in the failed course(s).

If permission is granted, the student will be advised in writing and would be required to pay any requisite registration and examination fees as soon as advised to do so.

Postgraduate Students should note the relevant regulations with regard to Examinations contained in the General Regulations for Graduate Diplomas and Degrees. Fees for re-sitting examinations and for retaking courses are detailed in the Financial Handbooks available online.

STUDENT EXCHANGE PROGRAMMES

You have decided The University of the West Indies is the institution best placed to provide you with the tertiary education you desire and to prepare you for your future contribution to Caribbean development. However, we encourage you to consider the chance to experience life as a student at another University.

The University of the West Indies makes it possible for its students to enjoy the best of both environments. Through our International Exchange/Study Abroad Programme, UWI enjoys collaborative links with many leading institutions worldwide, allowing students to spend a semester or a year pursuing courses for credit at one of these institutions.

Students may also opt to spend the exchange period at the Mona Campus in Jamaica, or the St. Augustine Campus in Trinidad.

For details of this programme, overseas universities, application procedures, etc. visit [http://www.cavehill.uwi.edu/international/current-students.aspx](http://www.cavehill.uwi.edu/international/current-students.aspx)
SUMMER SCHOOL

Email: summerschool@cavehill.uwi.edu

Undergraduate
The University of the West Indies organises a Summer School which is intended to assist undergraduate students in accelerating their programmes and to assist others in early recovery from failure. The programme is approximately 6 weeks followed by a 2-week examination period. Regulations, course lists and other relevant information may be obtained from Student Affairs, Summer School Office or www.cavehill.uwi.edu/summerschool/home.aspx

Postgraduate
Teaching continues in some postgraduate programmes during the summer session. Your Programme Coordinator will provide further information.

Please note: No Guild or Amenities fees are charged for the summer session.

TRANSCRIPTS

Transcripts of academic records are supplied on request. Unless advised otherwise, Student Affairs, Records will send transcripts for exchange/study abroad students to their universities at the end of their period of study. The Records Office also sends annual progress reports on undergraduate scholarship holders to governments and donors. Transcript Request forms are available for download from www.cavehill.uwi.edu/studentaffairs/request_transcript.asp

SCHOLARSHIPS, BURSARIES AND PRIZES

The University of the West Indies offers a number of scholarships, bursaries and prizes, and administers other scholarships, exhibitions, and bursaries from government and private sector organisations and individuals. The awards vary in value and criteria for eligibility and are usually awarded on an annual basis. The Student Affairs, Records Office administers undergraduate scholarships, awards and prizes donated by the Faculties, Departments, businesses, service clubs or individual donors. Applications for most undergraduate scholarships close on June 30 each year.

The Postgraduate Scholarship Committee of the School for Graduate Studies and Research administers postgraduate scholarships and awards. Postgraduate Scholarship applications close on May 31 every year.

All students should refer to the Financial Aid website: http://www.cavehill.uwi.edu/financial/home.aspx for information on scholarships available.

ROUTE FOR STUDENT CONCERNS

Undergraduate students should raise academic and administrative concerns first with their Staff/Student Liaison Committee. If the matter cannot be resolved at that level, the student should escalate matters in the following order: - Head of Department, Deputy Dean (Undergraduate); Faculty Dean; Deputy Principal.
Postgraduate students should raise academic and administrative concerns first with their Staff/Student Liaison Committee. If the matter cannot be resolved at that level, the student should escalate matters in the following order: - Programme Coordinator / Supervisor; Head of Department; Faculty Dean; Campus Coordinator for Graduate Studies and Research, Deputy Principal. **Matters should only be escalated if not resolved.**

Students who are unsure of the course to take towards resolution of a concern, or who requires urgent guidance or advice may contact the Office of Student Services (OSS) or Student Enrolment and Retention Unit (SERU).

### STAFF/STUDENT LIAISON COMMITTEE

Staff/Student Liaison Committees provide a platform for student views, concerns and suggestions to be brought to the attention of the staff by student representatives in order to improve the quality of the educational experience by dealing with issues in a timely fashion.

The committee meetings, usually convened at least once per semester by each Faculty and/or Department, are chaired by the elected Faculty student representative and are constituted for undergraduate and postgraduate studies. Other members of the Committee usually include student representatives from each discipline, programme or class level and selected faculty members such as Heads of Departments and discipline or programme Coordinators. The meetings therefore allow for frank discussion and serve to foster a greater interaction between students and staff. **Become involved** by contacting your elected student representative if you wish to draw attention to a particular challenge you are facing or to indicate your willingness to serve as a discipline or class level representative on the Committee.

### WITHDRAWAL FROM THE UNIVERSITY

Students who intend to withdraw from the University should advise Student Affairs, Admissions (undergraduate students) or School for Graduate Studies and Research (postgraduate students), in writing by the end of the third week of the relevant semester. A student considering withdrawing is strongly advised to consult with his/her Dean (undergraduate students) or the Campus Coordinator for Graduate Studies and Research (postgraduate students) before taking a final decision.

Please review the **Refund Policy** (see Appendix A.) for relevant details of refunds and the timelines in which they apply.

Students who withdraw voluntarily from the University after having been absent for an examination for which they were registered will be deemed to have been absent from that examination. The result of this examination will normally be declared as absent/fail.

### REMOVAL FROM REGISTER

Students may be required to withdraw from the University and have their name removed from the Register of Students for the following reasons:

- unsatisfactory academic performance, or
- failure to re-register every semester.

www.cavehill.uwi.edu/lawlibrary

The Law Library is centrally located within the Faculty of Law building. It has an extensive collection of West Indian and other Commonwealth legal materials, and is considered the premier legal library in the region. The collection is now in excess of 125,000 volumes. It includes 620 periodical titles and 400 law reports, statutes, digests and citators. The collection’s unique feature is the West Indian Section, including theses and research papers produced by staff and students and approximately 32,000 West Indian cases, most of them unreported.

The Law Library also has one of the most extensive collections of West Indian legislation in existence, including pre-1900 laws of the region which have been acquired on microfilm. The Law Library received substantial grants from the Board for Graduate Research to fund this project in cooperation with the Department of History and Philosophy, the Sidney Martin Library, UWI Cave Hill; the Archives Department and the Barbados Public Library. Content lists to the Laws on microfilm have been compiled.

The Law Library aims at providing a legal reference service for practitioners and researchers in general, in addition to supporting the teaching programmes in the Faculty of Law. The Law Library has access to several online legal databases. These include Lexis-Nexis, West Indian Reports Online, Index to Legal Periodicals, US Supreme Court Reports and UN Treaty Series. An electronic database of West Indian legislation and cases, CariLaw, was launched in 2005. The Law Library’s online catalogue was also launched in 2004, and is now available on the Internet.

The Office of Student Services (OSS) coordinates out-of-classroom learning experiences and activities for postgraduate and undergraduate students.

OSS seeks to facilitate the adjustment of students to University life by providing a number of developmental programmes such as the First Year Experience (FYE) programme, and the RAPS & PACE programme. These seek to provide students with the tools necessary to be successful at University and in life. The Vision and Fortitude programme offers students the opportunity to engage in activities that focus on character building and civic responsibility.

The OSS provides a variety of holistic support services such as Students Health Services and Insurance Plan, Student Shuttle Services, and Psychological and Career Counselling.

Additionally, OSS coordinates a number of leadership training workshops for student leaders and provides support to the Guild of Students, Associations, Clubs and Societies. Other skills-based activities are facilitated through the Co-curricular credit programme, Mentorship, Internship, and Students Helping Students programmes.

The OSS also coordinates services and accommodations for students with disabilities.

Through its services and programmes, the OSS continues to create ways to help students develop into well-rounded and equipped entry-level professionals and/or industry leaders.

• First Year Experience (FYE)
• Vision & Fortitude
• Co-Curricular Courses
• Students Helping Students
• Mentorship
• Internship
• Personal Academic Career Enrichment (PACE)
• Reasoned Action for Problem Solving (RAPS)
• New Student Orientation.

MENTORSHIP

The Mentorship Programme seeks to increase the number of experiential learning opportunities available to students. The programme allows students to interface with professionals, gain increased practical knowledge about their chosen discipline and be exposed to possible routes to gain both personal and professional development. It also helps students to link theoretical knowledge with practical experiences.

Many distinguished professionals including politicians, economists, accountants, lawyers, insurance executives, teachers, and doctors participate in the programme. Students in their second or final year of study are given preference.

INTERNSHIP PROGRAMME

The internship programme provides on-the-job training where students gain valuable work experience while exploring their career choice. Some interns find permanent employment with the organizations where they intern. Employers also benefit significantly, as experienced interns often need little or no training when they begin regular employment.

This programme enables the University to forge links with professionals and gain feedback about the strengths and weaknesses of our young professionals. It also has the objective of developing more purposeful academic programmes to meet present and emerging employment needs. The programme also affords students the opportunity to build a network in the business community.

PERSONAL ACADEMIC CAREER ENRICHMENT (PACE)

PACE aids students to develop the skills to map a personal and career success plan. PACE Workshops explore:

1. Peer Support from students who share(d) similar challenges.
2. The skills to critically evaluate ones methods of learning.
3. Skills to maintain and forge healthy relationships.
4. Insight into the power of working in groups.
5. The ability to chart successful and comprehensive career and life plans.
REASONED ACTION FOR PROBLEM SOLVING (RAPS)

RAPS helps students to develop critical thinking skills and effective study skills.

RAPS Workshops explore:

1. Reinforcement of critical reading, thinking and problem-solving skills.
2. Steps to possessing academic and personal integrity.
3. Problems solving skills.
4. Techniques to plan for future careers.
5. The opportunity to acknowledge and honour individual abilities.

STUDENTS HELPING STUDENTS

Undergraduate students are trained to be resource persons for fellow students who may be experiencing a problem or crisis. Student helpers are selected by an application process.

Opportunities for training are offered through two mediums:

- Basic Peer Helping course (COCR2071). On completion, students may apply to become a student helper.
- Peer Helping Workshop. Once selected, helpers will be required to participate in training workshops. This will be offered prior to the beginning of Semester II of each academic year.

Many students who have participated in this training indicated that it has assisted them in their personal lives.

CO-CURRICULAR CREDITS

Co-curricular courses are three (3) credit courses which focus on such areas as leadership, sports, skills development and creative activities that promote personal and professional development. These courses allow students to pursue their social interests and earn credits. Students are permitted to undertake one (1) co-curricular course throughout their academic tenure.

Undergraduate students in Level 2 or Level 3 of their programme are eligible to take co-curricular courses. Students should consult their academic advisor before registering for Co-curricular credits.

The co-curricular courses are.

1. Alcohol and other Drugs of Abuse
2. Basic Peer Helping
3. Debating
4. Leadership with Service
5. Peer Education in response to HIV and AIDS
6. Sports (athletics, basketball, cricket, football, Netball and Volleyball)
7. Student Entrepreneurial Empowerment Development (SEED)
8. University Choral Singing  
10. First Year Experience

Co-curricular credits do count and can enhance your curriculum vitae!

**FIRST YEAR EXPERIENCE**

First Year Experience (FYE) is an initiative to facilitate the personal, academic, career and social success of all first year undergraduate students. Students participate in weekly, semester-long learning experiences that support their personal and academic success. FYE is a great outlet for developing cross-faculty relationships and meeting people from across the region. Meet weekly with other first year students for discussions related to academic success and enjoy many social events.
VISION & FORTITUDE PROGRAMME

VISION & FORTITUDE sensitises students to the value of differences and giving back to their communities. The programme features several character building and service learning workshops and activities. Additionally students undertake many service learning and community based activities.

Conscious Vibrations & Community Outreach

Students participate in outreach and service activities to foster civic mindedness to enhance their community engagement experience and discuss issues that affect their society, the value of differences, and giving back to their communities. Creative arts such as music and poetry are used in these sessions.

The programme explores the following areas:

- Purpose
- Vision and Fortitude
- Civic responsibility
- Integrity
- Perseverance and Success
- Service
- Resiliency
- Diversity

ACADEMIC SUPPORT SERVICES

This is a walk in service available where students benefit from a face to face support from an Academic Support Specialist, Ms. Tara Walcott.

Main areas of academic concern typically raised by students:

- Time management
- Procrastination
- Organisation
- Academic writing
- Answering Assignment/Exam Questions
- Revision strategies
- Motivation
- Presentation skills
- Academic failure
- Group work

Practical interventions include coaching on:

- Timetable relevance and development
- Audio visual aids on specific subject matter with discussion
- Review of prior pieces of academic writing to aid understanding of potential writing challenges
- Encouragement to utilize Lecturer Office Hours where it is felt that specific feedback on academic performance is required and clarity on coursework.
- Referral to other Campus resources/services.

This type of support can be supplemented by a self-guided online Academic Skills Hub at [http://myelearning.cavehill.uwi.edu/course/view.php?id=65619](http://myelearning.cavehill.uwi.edu/course/view.php?id=65619)
PSYCHOLOGICAL AND CAREER COUNSELLING

Starting university is as exciting as it is challenging and perhaps stressful. Counselling can help students proactively problem-solve around concerns, and formulate plans to resolve many personal and career related issues.

The Cave Hill Campus’ Counselling support team consists of a Psychological Counsellor, Career Counsellor and a part-time Consultant Psychiatrist. All services are provided on a voluntary basis and it remains the student's decision whether or not to seek services. Emergency services are available through local private and public health services (see Health Services section).

Part-Time Evening Psychological Counselling Service

In order to enhance access to counselling, the OSS has added a dedicated Part-Time Counsellor who provides evening services.

DISABILITY SERVICES

Students with disabilities may apply for accommodations that support their learning and well-being while at UWI Cave Hill, through the Office of Student Services.

The UWI Cave Hill Student Disability Policy adopted in February 2014 promotes “equal access to all academic and non-academic programmes offered by the Campus, as well as accessibility to the various resources, services and amenities on Campus” for academically qualified students with disabilities.

The UWI Cave Hill Student Disability Policy is available for download or viewing at http://www.cavehill.uwi.edu/newstudents/resources/studentdisabilitypolicy.aspx

HEALTH SERVICES

Through doctors, nurses and a support team, the Student Health Clinic (SHC) provides clinical services for registered students. The Student Health Clinic is located next to the Guild of Students. Students may register online at:

RELPION AND CHAPLAINCY

The Campus is non-sectarian where various faiths are represented. Several religious societies such as Universities and College Christian Fellowship (UCCF) and Adventist Fellowship meet regularly for fellowship. Chaplains representing various faiths are available to support student religious organizations and offer services to the wider community as needed. As part of the Orientation activities for New Students the campus hosts a multi-faith service to mark the start of the academic year.

The student Enrolment and Retention Unit (SERU) coordinates a number of initiatives on behalf of the Campus Administration, dedicated to supporting the successful enrolment and progression of students. The Unit works collaboratively with several other departments in carrying out its mandate.

Major elements of the Unit's work include the following:

• **RECRUITMENT & ENROLMENT**
  The SERU serves as a focal point of general information for prospective students interested in attending The University of the West Indies. It also coordinates school visits, recruitment fairs and other outreach events both locally and regionally, and embraces the partnership of current students as ambassadors in the promotion of The University in their home territories. The Unit supports enrolment efforts by serving as a source of information and guidance for applicants and supporting their journey towards enrolment and registration as necessary.

  Mrs. Rosemary Belle  Tel: 417-4968
  Email: seru@cavehill.uwi.edu

• **FIRST STOP INFORMATION HUB**
  The SERU functions as the Campus’ First Stop Shop for the provision of information and assistance for students of the Campus who may experience challenges at any stage of their journey, from enrolment to graduation. The Unit is particularly concerned with assisting students in removing any barriers to their progress and success. This includes information on options for financing university studies or what to do if financial difficulties strike; guidance for students who experience uncertain situations and are unsure of the next steps; and assistance in overcoming any bottlenecks in service delivery in any area of operation at the university. The Unit operates on an open door basis, which means that students can walk in for assistance at any time.

  Mrs Althea Greene-Forde  Tel: 417-4977;
  Email: seru@cavehill.uwi.edu

• **STUDY ABROAD FOR CURRENT STUDENTS**
  The International Office which is an arm of SERU, assists students who wish to add an international dimension to their education through participation in student exchange or study abroad programmes. The Office provides information on partner institutions and sources of funding and assistance with the application process. The Office also conducts pre-departure orientations.

International Students Blog: http://internationalcavehill.blogspot.com/

SERU’s International Office is the official liaison for all incoming exchange and study abroad students throughout their time at the Cave Hill Campus, and also serves as liaison for the international offices at their home institutions. SERU welcomes all international students and coordinates and conducts mandatory orientation sessions which provide an introduction to University life, senior officers and other key members of the Campus.

The SERU invites our International Students to share their experiences by contributing to our International Students Blog or other social media channels.

• ACADEMIC SKILLS/STUDENT SUCCESS HUB

http://myelearning.cavehill.uwi.edu/course/view.php?id=65619

As part of its effort to support student success the SERU maintains the Student Success Hub, an online resource available through the Moodle eLearning system. The Hub provides access to a range of multimedia resources designed to support better study skills; visual tools and strategies for improving learning; strategies for more effective academic reading and writing; and Academic Integrity. The Hub also shares tips and articles to encourage engagement and motivation on the academic journey. All registered students are automatically added to the Hub available at the link above.

Here is what some students have had to say about the Hub:

“I wish I had looked at this in my first and second year. The content in the hub outlines what I learnt on my own after two years. Relevant and useful!”

“Excellent! It made me aware of some things I am doing correctly and incorrectly!!!”

“I realized I needed to adjust my study habits and techniques…..also I realized I had some bad habits...like being distracted by the mobile phone during study sessions.”

“I would appreciate it if this academic skills hub stays on the e-learning site until I finish my studies at UWI.”

Students who do not have access to Student Success Hub should contact the SERU at seru@cavehill.uwi.edu.

email: uwiharp@cavehill.uwi.edu

Telephone: (246) 417-4145/6  Fax: (246) 438-9173

The University of the West Indies HIV & AIDS Response Programme (UWIHARP) was established in 2001 with offices at Cave Hill (Barbados), St. Augustine (Trinidad & Tobago) and Mona (Jamaica). UWIHARP is a regional institutional response, tasked with the mission of promoting strategies for the prevention of HIV and AIDS epidemics at the UWI.

UWIHARP is a member of the Caribbean Community’s (CARICOM) Pan-Caribbean Partnership against HIV/AIDS (PANCAP) and works with international, regional and local partners who are dedicated to reducing the transmission of HIV among the Caribbean’s most precious resource, and one of the most vulnerable populations - our youth.

The UWIHARP is primarily student-centered, with outreach strategies delivered among the academic and non-academic staff. UWIHARP combines a multi-sectorial approach which encompasses research, education, training & sensitization, and outreach & advocacy. While there is a concentration on HIV and AIDS, the focus includes other sexually transmitted infections (STI), and sexuality and reproductive health related matters. Additionally, a gender and human rights frameworks is the focal point throughout the programme.

The UWIHARP Mission

To build and harness capacity within the University in order to contribute maximally to the national, regional and international effort to control the HIV epidemic, and to mitigate the impact of HIV&AIDS on the University itself and on the wider society.

3. Make informed decisions on whether or not to engage in sexual activities;
4. Safely negotiate sexual encounters;
5. Access student friendly sexual well-being services, including sexual and reproductive health information, commodities and HIV testing.
What we do

Guided by the Mission statement and the overarching principles, UWIHARP uses a rights-based frame to:

2. Provide gender responsive sexual and reproductive health (SRH) outreach strategies;
3. Support the scaling up of access to youth friendly sexual and reproductive health services;
4. Conduct action-based HIV and sexuality research.
5. Support the implementation of UWI HIV Policy among staff.

How we do it

   - Co-Curricular Course - COCR2030: Peer Education in Response to HIV&AIDS);
   - Curriculum Infusion;
   - Peer Education Programme (UWIHARP CHAPTER).
2. Provide technical support to student and staff led HIV initiatives on Campus.
3. Distribute sexual and reproductive health commodities for safer sexual practices.
4. Support HIV testing on Campus.
5. Provide information, education and communication materials to students.

STUDENT HOUSING

ON-CAMPUS HOUSING

Email: accommodation@cavehill.uwi.edu

The Frank Worrell Hall consists of 180 single study rooms in suites of six, contained in ten three-storey blocks, arranged in three clusters. Each cluster is enclosed by a combination of garden walls and common facilities including a laundry unit. There are also two live-in Resident Assistants located in the Block 1-3 cluster next to the laundry.

Situated on a knoll overlooking the main Campus, the complex captures a panoramic view of the beautifully laid out Campus and the distant view of the Caribbean Sea. The design of the buildings reflects an architectural vernacular of the Barbadian style with modest overhangs and hipped vented gable roofs to permit natural ventilation.

The internal arrangements define each student's space whilst permitting a family life style on each floor and a community in each cluster. Each study room is furnished with a bed, built-in desk and wardrobe and all are equipped with face basins. On each floor there is a communal living/lounge area and fully equipped kitchenette and bathroom facilities. All rooms have Internet access.
Sherlock Hall, the first and for many years the only Hall of Residence on Campus can accommodate approximately 90 students. The study rooms comprise single rooms, double rooms and postgraduate flats. Each floor is served by a fully-equipped kitchenette and bathroom facilities and has Internet access.

At Sherlock Hall the communal facilities include a students’ lounge/TV room, a study room, laundry unit and 2 small seminar rooms. The latter are mainly used for student development and counseling sessions organized and facilitated by the Office of Student Services.

The Keith Hunte Hall is named after Sir Keith Hunte, a former Pro-Vice-Chancellor and Principal of The UWI Cave Hill Campus. On completion, the Hall will feature three blocks and will house 176 students. One block has been completed and contains 64 single rooms in suites of 4. Each floor is arranged in 4 clusters of 4 students each served by a spacious, well equipped kitchen, living and dining area, and bathroom facilities. Each student’s room is outfitted with a ceiling fan, a single bed, built-in desk, wired & wireless internet access, wardrobe and face-basin.

The Keith Hunte Hall is located on University Drive and Highway 1, with easy access to shopping, supermarkets, the main city of Bridgetown and nearby West Coast beaches. It is within five minutes walk from the main campus.

Each Hall has fully equipped laundry facilities where the washers & dryers are operated by tokens sold at the Halls of Residence Business Offices or by Resident Assistants.

During vacation periods, students who wish to remain in residence may do so only with the permission of the Halls Administrator and will be required to pay in advance for their rooms.

While First year students and students coming to Barbados for the first time are given preference, assignments are based on applications received by Halls.

OFF-CAMPUS HOUSING

All final arrangements on terms and conditions of lodging and/or board must be made by students and the landlords or settled among themselves by students sharing the cost of rented houses on a cooperative basis.

The University entreats students in their own interest and in the interest of the University, to treat their lodgings with care, and to honour their financial obligations to the property owner.

GETTING INVOLVED

A variety of out-of-classroom learning experiences await your participation. These organised activities are much more than “fun ways” to spend your non-class time. These activities provide opportunities to enhance your leadership, communication and interpersonal skills, develop your organisational ability and help to develop your time management, decision making, and problem solving abilities. Prospective employers expect a university graduate to possess these competencies. So, get involved!!

Involvement in Campus activities is your opportunity to build friendships, make your “mark” and contribute to your personal growth and development and to the development of this honourable institution.

THE GUILD OF STUDENTS

The Guild of Students is the recognised student government on Campus. The Guild Council is the recognised means of communication between students as a body and the authorities of the University, with Guild Council members serving on major Campus and University Bodies. This gives students a voice on Campus to represent their rights, interests and concerns throughout their university life.

According to its constitution the objectives of the Guild are:

• The furthering of educational and social purposes of The University of the West Indies.
• The furthering of the common interest of members of the Guild of Students.
• The advancement and promotion of unity and fraternity among the members of the Guild.

All matriculated undergraduate and postgraduate students pursuing a course of study at The University of the West Indies are full members of the Guild of Students.

Full Members of the Guild shall have the following privileges:

• The right to frequent the Students’ Union and to enjoy all its facilities and amenities.
• The right to vote at all Guild elections and to stand for election for any office in the Guild except when debarred by lack of any special qualification.
• The right to wear the official University colours.
• The right to frequent the games fields and enjoy all the facilities and amenities offered.
• The right to participate in all activities sponsored by the Guild.
• Such other rights as may be conferred by this constitution from time to time.
CAVE HILL ASSOCIATION OF POSTGRADUATE STUDENTS (CHAPS)

email: chaps@cavehill.uwi.edu

The Cave Hill Association of Postgraduate Students (CHAPS) is the representative body for all postgraduate students at the Cave Hill Campus of The University of the West Indies. All postgraduate students are automatically members of CHAPS. There is no application process nor is there any payment for membership. In order to register with CHAPS simply send an email to chaps@cavehill.uwi.edu.

CHAPS seeks to enrich the postgraduate experience at Cave Hill on academic and personal levels. The Association serves as the link between the postgraduate student body and University administration. Representation is provided for postgraduate students on important committees at the Campus and University levels. CHAPS is committed to fostering a strong community among students at Cave Hill and the wider academic community. Assistance can be provided for academic purposes, particularly for research initiatives, as well as for personal concerns.

All postgraduate students are encouraged to get involved with the activities of CHAPS.

ELECTIONS

The Guild’s year runs from April 01 to March 31 and elections are constitutionally due on or before March 15.

Candidates vie for the twenty-two positions available. Being a council member is a serious undertaking, and any elected member of the Guild Council is subject to recall on the basis of non-performance or misconduct according to procedures outlined in the constitution.

STUDENTS UNION

The Students’ Union is managed by the Guild Council and by extension the Union Committee Chairperson. The Union is the centre for student activities and entertainment. The Students’ Union is more than just a spot for Union Socials and Fetes. It’s the place for cultural experiences, and to relax and unwind after or during a stressful day of classes. You can “slam-a-dom,” shoot pool, tune into cable TV, play games or simply take part in some interesting debates.

The Union is always a hive of activity during the semester and especially when the activities for the clubs, societies and faculties are scheduled.

Come, “BE KNOWN”.

Your full participation is essential.
STUDENT CLUBS & SOCIETIES

Student organisations and activities are a vital part of university life and are organised and controlled through the Guild of Students. These are academic societies catering to the special interests of students as well as artistic and cultural societies.

The Student Societies are coordinated by the Inter-Clubs Committee while the Games Committee coordinates the sporting activities. Students are encouraged to join the Sports Clubs, Social Clubs, Island Associations, Cultural Clubs, Service Clubs/Volunteer Organisations, “Hobby” Clubs, Academic Campus Associations & Societies or any other club of their liking.

The Sports programme at Cave Hill offers a range of sports including athletics, water sports (sailing, scuba, windsurfing and swimming), football, cricket, volleyball, netball, lawn tennis and basketball.

UWI Games are held every two years with all four campuses competing in several sports. The games are held on each campus in rotation and students are encouraged to participate.

The 3Ws Oval, named in honour of the three Barbadian cricketing greats, Worrell, Weekes and Walcott, was officially opened in 2003. The facility offers an attractive cricket pitch and field, which meet international standards, as well as a cricket school comprising six indoor and two outdoor nets. There is also a “Walk of Fame” monument celebrating West Indies cricket and a charming “verandah” for watching sports activities on the cricket and football fields.

OTHER FACILITIES

Guild facilities include drink machines, food service (open everyday until 7.00 pm), Hair Salon, Smoothie Bar and Guild Bar.

GUILD PUBLICATIONS

The Publications Committee provides an integral and active component of student life on Campus. With publications such as CAMPUS BEATS magazine, THE CAVE Newspaper, Freshers’ Guide and the Calendar of Events as examples, students are well informed of all aspects of Campus life. Your contribution of articles, things of interest, ideas and comments for the publication is always welcome. These submissions can be sent to guildpcc@mycavehill.uwi.edu.
CIVIC ACTIVITIES

The Guild is actively involved in the international and regional struggles of students, as well as community outreach projects, such as The UWI Summer Camp for Children. Most importantly, the Guild represents students in disputes arising between themselves and the administrative body of The University of the West Indies.

Orientation – Guild Council members and student volunteers assist new students with their registration. They also organise Campus tours in an effort to make the registration exercise and settling-in as pleasant and painless as possible.

Freshers’ Week – This is a fun-filled week of activities designed to welcome new students to our host country and to the lighter side of Campus life. These activities provide excellent opportunities to get out, find out, hang out and make friends. So come and enjoy the fun.

Please look out for more information on Freshers’ Week in the Guild’s Freshers’ Guild “The Signpost”.

CULTURAL ACTIVITIES

International Students’ Day is celebrated annually on November 17. This day should be significant to all students as a symbol of what students of the world are fighting for or against at the local, national and regional level. Issues include the struggle for social justice, the fight against fascism and all other forms of dictatorship and discrimination, the fight for peace, justice and equality combined with the right to education and its liberating potential.

Events to celebrate this day include cultural and academic activities, bazaars, fairs and Woodstock. (Great bargains on jewellery, clothing and food.)

Caribbean History Month is celebrated in the month of February and heightens students’ awareness of important events in the development of Caribbean people and society.

Carnival
This is the most anticipated activity on the student’s calendar. Students and staff alike enjoy the camaraderie of the Calypso Competition, the Jump Up Day & After Fete, and the Carnival King & Queen Show.

Activities for Carnival include:
• Calypso Competition
• Treasure Hunt
• Carnival Lime
• J’ouvert
• Carnival Jump-up & After Show

Come enjoy the activities. A full schedule of Guild Activities is available from the Guild Office.
Remember, the Guild can only function effectively with your FULL SUPPORT. You must therefore make a conscious effort to support the Guild to ensure its continued relevance to the needs of the student body and the institution of The University of the West Indies.

Please feel free to visit the Guild Office between the hours of 9:00 am and 5:00 pm. We are always willing to answer questions, deal with your problems, or offer advice.

D. ALCOHOL POLICY

University-Wide Policy

In our pursuit of excellence, intellectual and social development through education, the administration of Cave Hill Campus expects those within its community to be responsible with the use of alcohol. This policy shall guide the use of alcohol everywhere on the properties of this Campus and at all events sponsored by this University. Students and staff members are encouraged to learn about the social, physiological, and psychological consequences of drinking and alcohol abuse. Excessive and high-risk drinking can lead to negative consequences for members of the University’s community. Such consequences may include but are not limited to incidents of assault, illness, injury, litter, noise, property damage, and driving under the influence. We all share responsibility for creating an environment that limits dangerous drinking behaviours and, therefore, reduces the likelihood of negative outcomes.

The following shall guide the use of alcohol on Cave Hill Campus:

- All possession, consumption, and distribution of alcohol on this Campus shall be in accordance with applicable Laws of Barbados.
- All members of this Campus are responsible for behaving in a manner that is not disruptive or endangering to themselves or others. Being under the influence of alcohol shall not be a mitigating factor for an individual’s behaviour.
- When persons under 21 years of age can reasonably be expected to be present at an event, proper precautions must be taken to restrict distribution and consumption of alcohol to persons of legal drinking age. Student associations shall adhere to the specific guidelines for events outlined in the regulations governing the holding of student fetes and social events at the Cave Hill Campus.
- Advertising or other communication that references the availability of alcohol at a function must neither promote alcohol as the focus of the event nor promote excessive drinking.

Underage Possession/Consumption:

- Students under 21 years of age are not permitted to purchase, possess, or consume alcoholic beverages. Being under the influence of any amount of alcohol while underage is considered a violation of this provision. The Guild Council, Island Associations or other groups are considered in violation of this provision if they facilitate the acquisition of alcohol by anyone under the age of 21.
Unsafe / Irresponsible Behaviour:
Unsafe or irresponsible behaviour is defined as any action that is harmful or potentially harmful to one’s self or others involving the use of alcohol. Such behaviour includes, but is not limited to:

- consuming an excessive quantity of alcohol in a short amount of time;
- participating in or facilitating drinking games;
- consuming through beer bongs;
- use or attempted use of fraudulent identification or another’s identification to obtain alcohol; and
- making alcohol available to underage drinkers.

Community Expectations Violation:
It shall be a violation of the alcohol policy to engage in an action while under the influence of alcohol that is disruptive to the community. Such behaviour includes, but is not limited to:

- driving; exhibiting disorderly conduct, damaging property, and/or fighting; littering;
- running away or hiding from University or public officials, including Campus Security or members of the Royal Barbados Police Force;
- vomiting and/or urinating in public; and
- cursing and/or shouting at others.

General Provisions Violation:
The University has established the following general provisions regarding alcohol:

- No kegs are permitted on campus in private rooms, student apartments, commons rooms, or other public space. (Only University-approved bartenders, who will be responsible for and distribute alcohol from kegs in public space at officially-approved events.)
- Only university-approved bartenders are permitted to distribute alcohol on campus, including alcohol from common-source containers.
- Except at events in a licensed facility providing a cash bar, no spirituous liquor or fortified wines may be served to either undergraduates or postgraduates.
- All students on university property consuming or possessing alcohol must carry a valid University identification card or Driver’s license.
- Alcohol may not be brought in glass containers to on-campus events.
- No alcoholic beverages are permitted on the surrounding grounds of Campus.
• No alcoholic beverages are permitted within the confines of campus athletic facilities during sporting events.

• The use of alcoholic beverages as a prize is prohibited.

**Health and Safety Intervention:**

Because health and safety of students are of primary importance, students are encouraged not only to look out for their own health and safety but also for that of their peers. When a person’s health and/or safety is/are threatened or appear(s) to be in jeopardy, immediate action should be taken to prevent injury/illness/danger. Your action may be a call to Campus Security at 417-4003/4164, the Student Health Clinic at 417-4170/4171 or the Psychological Counselor at 417-4169 for assistance and guidance. Whatever the particular need/problem, it is important to respond in a responsible and timely manner.

Formal disciplinary action for a violation of the alcohol policy will not be taken against students for whom medical assistance is sought, or against those who seek medical assistance for themselves or for others, provided that the student/group has not violated other university policies that warrant formal disciplinary action.

A student who receives medical assistance may be required to meet with a Substance Abuse Counselor or a Counselor from the Office of Student Services for education, assessment, and possible referral for treatment. The student may also be required to complete an educational assignment. Parents of such students under the legal drinking age may also be notified. Members of Island Associations, Clubs, Societies or group who facilitated the acquisition of alcohol may also be required to notify the Office of Student Services and participate in an educational programme for its members, and/or change its processes for hosting events.

In the event that a student fails to meet with the specialist, chooses not to participate in the treatment programme outlined, or exhibits a pattern of abusive behaviour with alcohol, the student may be subject to formal disciplinary action and/or placed on a Medical Leave of Absence or Involuntary Administrative Withdrawal until he/she produces documentation that appropriate treatment has been successfully sought.

Use of these is ONLY permitted in the Cell phone room located on level 2. Failure to comply will result in eviction from the library.

USE OF ELECTRICAL OUTLETS
Patrons are advised that the use of all electrical outlets in the library is at their own risk. The use of a surge protector at all times is strongly advised as the library accepts no responsibility for damage to equipment. Please note that outlets dedicated to library equipment must not be used under any circumstances.

TRANSACTION POINTS
All transactions at the Circulation Desk must be completed fifteen minutes before closing time. The Cash Point closes half an hour before the end of each shift – 4:00 pm and 10:30 pm respectively Monday through Friday. The Cash Point closes at 4:30 pm on Saturdays and is closed on Sundays.
STUDY ROOM

Patrons have access to a 24/7 study room which is located just before the main entrance to the library. Access to the room is via swiping of the patron’s ID card. Cards which do not function must be taken to Campus IT Services to have corrective measures taken. Patrons are allowed to take their personal belongings into the room.

SERVICES

COMMUNICATION

The library will only communicate with patrons using their mycavehill email address. Patrons will receive email confirmations for every loan and return transaction. Similarly, patrons will be notified via this medium when they have overdue items. Patrons can also check their own library account to ascertain the status of the account. It is the patron’s responsibility to ensure the information on their account is correct and that any anomalies are brought to the library’s attention in a timely manner. Failure to do so will result in the system information being considered the definitive record.

LOANS

Patrons will be required to present a valid UWI ID irrespective of the collection from which they are requesting material. Only material which has gone through the relevant loan procedure can be taken out of the library. Material from the Reading Room which has been borrowed and signed for is the responsibility of the borrower until the item has been returned and the record of the loan is cancelled. Students leaving the library with such material will be subjected to a heavy fine.

RENEWALS

Borrowed items from the general collection can only be renewed once. Patrons can renew items online before the due date or on the due date before the library closes. Once the item is overdue renewal can only be done at the Circulation Desk.

LOST BOOKS

Patrons will be charged the replacement cost plus a processing fee for any item they report as lost. Similarly, patrons will be expected to assume liability for any item returned damaged or mutilated.
FINES
The fine for the late return of books borrowed from the general collection is calculated at $1.00 per day for each day (excluding public holidays and days when the library is closed) the loan is overdue. Unpaid fines result in the cancellation of borrowing privileges until fines have been paid. All Reserve items available for three hours loan periods are subject to a fine of 10 cents per hour for late return.

PRINT & PHOTOCOPYING ACCOUNT
The patron’s ID card is used to add credit to his/her account for printing and photocopying. The minimum amount which can be deposited to the account at any one time is $5.00. The account is automatically debited at the photocopying machine and/or when the patron uses a computer anywhere on campus to send documents to a printer.

GROUP WORK
This is facilitated through a number of Discussion Rooms located on Level 2. These rooms can be reserved at the Circulation Desk and can be used for a maximum of three hours. Each student in the group must leave his/her ID card at the Circulation Desk in order to gain access to the room.
F. POLICY ON SMOKING AT THE CAVE HILL CAMPUS

Introduction
The Government of Barbados has issued regulations which prohibit smoking of tobacco in public places and workplaces, and which protects building occupants from exposure to second hand smoke. The Prohibition of Tobacco Smoking in Public Places Regulations, 2010, (Health Services Act Cap. 44), of the Laws of Barbados states that “No occupier of a public place shall permit a person to smoke in a public place which is under the control or management of that occupier.”.

Definitions
The Regulations define “smoke’ as “to smoke, hold or otherwise have possession over an ignited, tobacco product”.
Second hand smoke refers to the smoke emitted from a lighted, smothering or burning tobacco product.

Measures taken by Cave Hill Campus
These measures apply to all employees, students, clients, consultants, vendors, contractors, guests and visitors to/of the Campus.
Consistent with the provisions of the legislation, smoking is restricted to outdoor areas on the Campus that are away from building entrances and exits, for all University owned facilities.
1. Smoking is prohibited in all built facilities of the Cave Hill Campus and enclosed workplace areas. This includes offices, laboratories, libraries, workspaces, common rooms, staff and student lounges, private offices, auditoriums, classrooms, conference and meeting rooms, elevators, hallways, cafeterias, balconies, staircases, restrooms and Halls of Residence.
2. Smoking is prohibited inside all Campus vehicles for example; shuttle buses, escort vans and Department vehicles.
3. Smoking is prohibited in all areas that are identified by the University as non-smoking with the “No Smoking” signs.
4. No person should in any manner, obstruct, deface or remove any of the “No Smoking” signs which are erected on the campus.

Compliance
All members of the campus community are responsible for observing the provisions of this policy on smoking. Heads of Departments are responsible for ensuring, as far as is practicable, compliance by persons within their department. Management of the Guild of Students and concessionaires should also ensure that persons using their facilities comply with this policy.
Employees and students found to be in violation of this policy will be warned by the Campus Registrar. Based on the violation, the matter may be reported to the Ministry of Health for action, in accordance with the Regulations.
G. MEDICAL EMERGENCIES ON CAMPUS

The procedures outline what should be done in the event of minor illness/injury or medical emergency at the Cave Hill Campus. These guidelines apply to all students, staff, contracted workers and visitors to the Campus.

MINOR ILLNESS/INJURIES

All injuries received as a result of campus buildings, infrastructure or activities should be reported to Campus Security Services (417-4164).

It is important to note that severe anxiety or panic (panic attack) are not emergencies.

Whether the person exhibiting the above on campus is a staff member, student or visitor to the campus, alert the nearest Security Officer or call Campus Security Services. If you believe that the person presents a danger to yourself or to others, go to a safe location before alerting Campus Security.

All students who have experienced medical emergencies (including mental health emergencies or mental health crises) which required treatment by a doctor (including those doctors who are not assigned to the Clinic) should report to the Medical Officer, Student Health Clinic before returning to campus activities e.g. classes, Halls of Residence.
