

Zoom Video Conferencing: Student Guide

Zoom is one of the Cave Hill Campus' supported real-time video conferencing tools that can be used for live online class sessions to connect educators and learners.

Initial Setup

The following steps should assist you in using Zoom to join your live online class.

1. Ensure your device is ready to use Zoom by conducting a [Zoom Device Test](https://zoom.us/test) <<https://zoom.us/test>>.

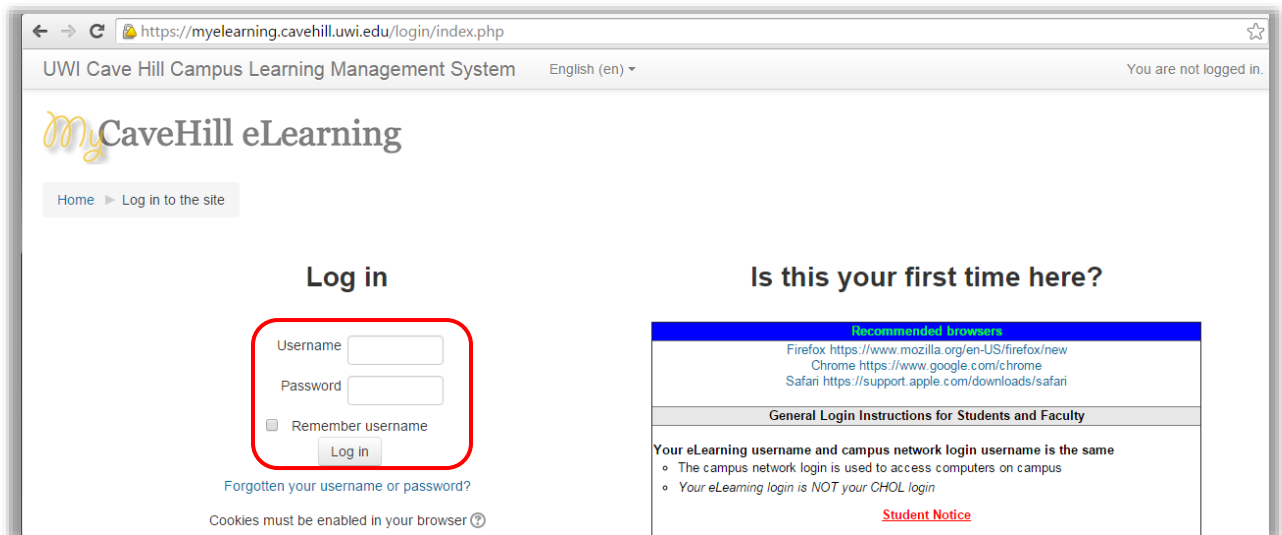

2. For the best user experience, you should download Zoom application from the [Download Center](https://zoom.us/download) <<https://zoom.us/download>>

Although Zoom works well in areas with low bandwidth, it is recommended that you have a minimum Internet connection speed of 75 kbps. You can always check your Internet speed at [SpeedTest](https://www.speedtest.net/) <<https://www.speedtest.net/>>

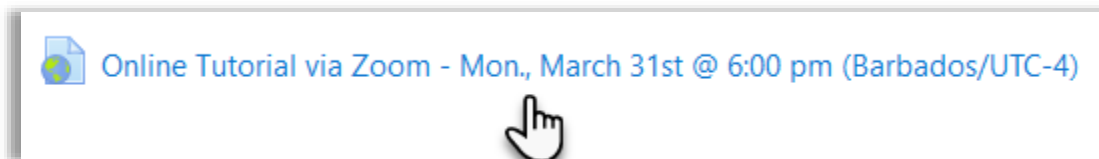

Accessing a Zoom Online Class

1. Visit the Myelearning homepage at: <https://myelearning.cavehill.uwi.edu>
2. Enter your **Username** and **Password** for UWI-Cave Hill. Click **Log in** button when you are finished.

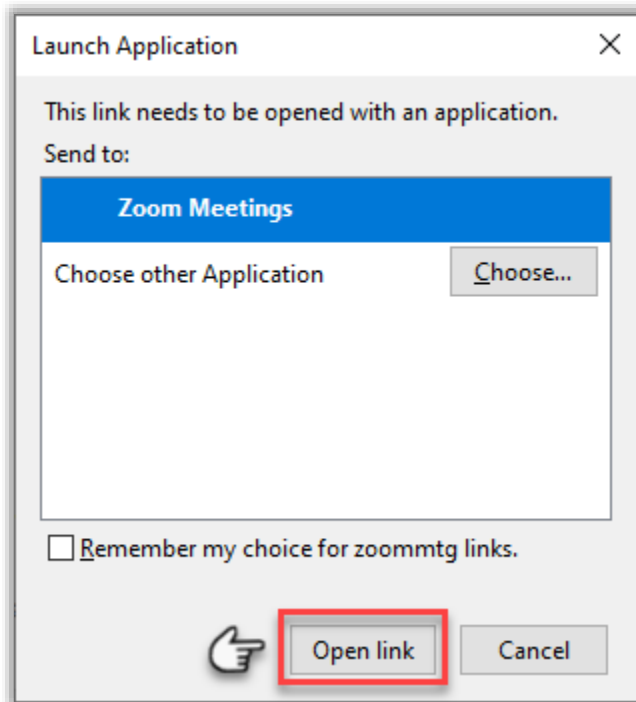

3. Choose the particular course you wish to access.
4. Click the relevant link to the Zoom online class that appears on the course page.

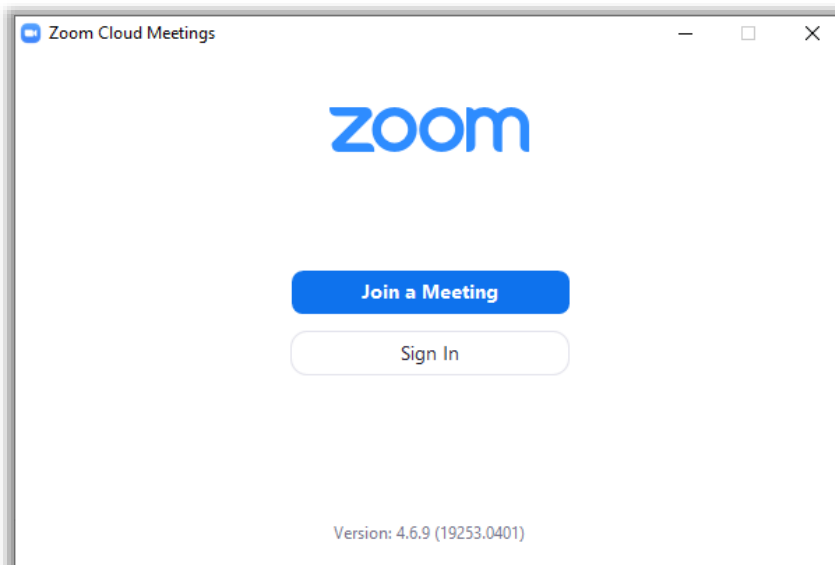

5. If the Launch Application window appears, select **Zoom Meetings**.
Click **Open link** button. This will launch the Zoom application.

6. Click the **Join a Meeting** button.

7. If you have successfully joined the Zoom online class, you should see a similar interface to the screenshot provided below.
