M.Ed. in Educational Leadership

[EDRS 6910: MEd Research Project](#)

Students will conduct their research projects in an area identified as a priority research area in their specialisation stream. Students may conduct their research in their home territory provided that adequate supervision arrangements can be made. The Research Project **should not exceed 15,000** words (not including References and Appendices).

Two copies of the completed Research Project must be submitted to the School of Education by **July 31st** of your final semester. The final version of the Research Project should be completed at least one full week before the deadline to allow for last minute delays in printing, and other potential problems.

A sample of recent EDRS 6910 ***Educational Leadership*** research project titles includes:

- *An Investigation into the Relationship between Trait Emotional Intelligence and Transformational Leadership among Barbadian Primary School Principals*
- *Principals' Perceptions and Reports of Current Practices of Parental Involvement in Public Primary Schools in Barbados*
- *An Investigation into the Principal's Leadership Style and the Professional Empowerment of Teachers: The Perspectives of Secondary School Teachers*
- *Principals' Perceptions of the Essential Components of Sustainable Leadership and Implications for Succession Planning at the Primary School Level in Barbados*
