M.Ed. in Testing, Measurement & Evaluation

[EDRS 6910: M.Ed. Research Project](#)

Students will conduct their research projects in an area identified as a priority research area in their specialisation stream. Students may conduct their research in their home territory provided that adequate supervision arrangements can be made. The Research Project **should not exceed 15,000** words (not including References and Appendices).

Two copies of the completed Research Project must be submitted to the School of Education by **July 31st** of your final semester. The final version of the Research Project should be completed at least one full week before the deadline to allow for last minute delays in printing, and other potential problems.

A sample of recent EDRS 6910 *Testing, Measurement & Evaluation* research project titles includes:

- *An Examination of Barbadian Primary School Teachers' Beliefs and Perceived Skills in Assessment and their Classroom Assessment Practices*
- *A Comparison of Response Formats on Biology Performance in a Secondary School in Barbados*
- *An Investigation into the Relationship Between The Attitudes and Skills of Primary School teachers in Barbados to the Integration of Technology in the Classroom*
- *The Perception of Teachers on the Impact of CSEC Results on Barbadian Secondary School Students*
- *Formative Assessment in the Grenadian Lower Secondary Schools*
