International Advocacy Articles - (Non peer reviewed publications)

Advocacy is used in public health as a tool for accelerating action on priority issues. I have two advocacy publications in the past 5 years

1. **Greaves N**. (2015). Celebrating World Hospice and Palliative Care Day - A first for Barbados. Newsletter of the International Association of Hospice and Palliative Care 2015; Volume 16, No 11, November. <http://hospicecare.com/about-iahpc/publications/newsletter/2015/11/>
2. **Greaves N**, Sobers-Grannum, Harewood H. (2016). Palliative Care: Advancing the cause through evidence-based advocacy. Newsletter of the International Association of Hospice and Palliative Care 2016; Volume 17, No 8, August. <http://hospicecare.com/aboutiahpc/publications/newsletter/2016/08/featured-article/>

3. Pettus K, Ali Z, **Greaves N**, Kunirova G, Morris C, Yates, R. (2020). Advocating for Integration of Palliative Care into National COVID-19 Responses: Challenges and Successes. In De Lima L, Pettus K, Downing J, Connor S, Marston J (Eds), Palliative Care and COVID19 Series – Briefing Notes Compilation (pp. 68-70). Houston: IAHPC Press. Available in (<https://hospicecare.com/uploads/2021/1/Palliative%20Care%20and%20Covid-19%20Series%20-%20Briefing%20Notes%20Compilation.pdf>)
