Electives - B.Sc. Hospitality and Tourism Management

In selecting an elective the department requires that **all such courses be at level 2 or 3. No level 1 course can be used as an elective.**

In order to provide you with a wide perspective on your undergraduate education the Department encourages students to select courses as electives from other departments. You should select courses that also complement your personal and professional development.

In selecting the elective, please consult the relevant Faculty handbook to ensure that you satisfy the requirements for registration. Departmental course prerequisites must be followed.

Prerequisites

The Department of Management Studies course prerequisites are provided in the prerequisite brochure. Please consult the prerequisite brochure for the relevant information. For courses outside of the department you should consult the relevant department handbook or faculty handbook for the prerequisites.
