### ***DEAN'S PRIZES - FACULTY OF SCIENCE AND TECHNOLOGY:***

There shall be two (2) Prizes awarded annually, called the Dean's Prizes, Faculty of Science and Technology. The Prizes shall be awarded to two (2) students registered in the Faculty of Science and Technology who:

- have obtained at least an A average grade over 64 credits in the Faculty of Science and Technology courses at Levels II/III.
- should be nominated by their Department and interviewed by an Interdisciplinary panel. The names shall be inscribed on an appropriate plaque to be displayed in the Faculty Office.

The value of the Prizes shall be:

**FIRST PRIZE:** BDS\$900.00

**SECOND PRIZE:** BDS\$500.00

### ***FACULTY OF SCIENCE AND TECHNOLOGY INNOVATION (FINO) AWARD***

The Faculty of Science and Technology (FST) Innovation Award (FINO Award) recognizes an innovative, out-of-the-box action, project or initiative performed by a student or students of the Faculty of Science and Technology.

The objectives of the award are to:

- Support the Faculty's "Science for ALL" philosophy.
- Promote the applied sciences.
- Encourage the development of leadership skills.
- Encourage connected thinking, creativity and out-of-the-box thinking.
- To remove the fear and stigma surrounding different ways of thinking and approaches when resolving problems. In other words, "Dare to be Different".
- Encourage students to use science and technology to resolve local, community problems.
- To encourage the use of the varying skills and abilities of all persons across society (diversity).
- To serve as a platform to promote cross-faculty/cross-department collaboration.

**Examples of Innovation:**

- Unique solution to a problem encountered in the lab (course or research)
- Unique solution to a problem in a class or tutorial.
- Unique solution at an external location such as field trip, home, charity, community etc.

All solutions must be STEM (Science, Technology, Engineering, Mathematics) based and verifiable (can be proven that the student implemented the solution).

Uniqueness can be an entirely new approach or the use of a known solution in an unexpected scenario.

The award will consist of BDS\$500.00 in either cash or vouchers. This will depend on whether the student is enrolled or just graduated. The name of the student will be added to a plaque in the Faculty Office and highlighted in the Faculty's social and regular forms of media.
