

L'ORÉAL-UNESCO

For Women in Science

Caribbean Region

APPLY NOW

From May 19th to August 14th

You could be awarded \$15,000 USD to conduct further research in a STEM field

The inaugural program of the **Caribbean Region L'Oréal-UNESCO For Women in Science** aims to promote and encourage the participation of Caribbean women in science.

This program identifies and rewards young talented researchers in the formal sciences, life and environmental sciences, material sciences, engineering sciences and technological sciences

For the 3rd edition of the Caribbean Region L'Oréal-UNESCO For Women In Science, 2 endowments will be given to encourage young researchers currently in doctoral, post-doctoral studies or in early stage of a scientific research career. Must be a national of one of the countries or territories in the Caribbean region.

Applications due by August 14th, 2026.

Visit forwomeninscience.com/challenge/show/141 to learn more and apply.
