Dear Student

As the start of the new Academic Year approaches, I would like to take this opportunity to welcome both our continuing students and the new students who are commencing their educational journey with us here at The University of the West Indies, Cave Hill Campus, and to wish you a successful year at the campus.

As you prepare to register for your courses, please be mindful of the increase in the cost of the non-self-financing programmes in some faculties, for the 2024-2025 academic year. The full updated costs may be found on the student financing page of the campus's website: <https://www.cavehill.uwi.edu/studentfinancing/fees.aspx>

Additionally, the Pelican Perks Advantage Programme will be included as part of the UWI Registration fees. **All new undergraduate** students will pay an additional Bds\$20.00 annually, for the first three (3) years of their studies. This will secure lifetime membership in the UWI Alumni Association.

All fees are due and payable in full by the end of the registration period unless you have opted to utilize the monthly payment plan. However, the Registration fees (i-e Amenities fee, Guild fee, ID card fee, Science fee and Pelican Perks fees - where applicable) must be paid in full prior to registration each semester.

If your fees are paid by a donor or by your government, the government will send documentation to this effect to the university. In the case of other forms of sponsorship, please forward the supporting documentation from the donor/sponsor to the student accounts section of the Bursary at email address: studentaccounts@cavehill.uwi.edu as soon as possible. All correspondence should be addressed to the Assistant Registrar, Student Affairs, Admissions.
