

COURSE GUIDE AND COMPLETE COURSE LISTS

Course Types

Undergraduate degrees in the Cave Hill School of Business and Management may comprise of:

- (a) **Core Courses** – these are fundamental to your area of study and must be completed. No other courses can be substituted.
- (b) **Options** – selections from lists of required courses. For example, you may be given a list of **four (4) options** from which you are required to choose **two (2)** of those options.
- (c) **Electives** – these are approved courses that can be selected from within the Cave Hill School of Business and Management, or from any other Department or School at the University of the West Indies (UWI) Cave Hill Campus. Typically, you will be approved to take a course as an elective, if the number in the course code begins with 2 or 3. For example, MKTG **2001** or MKTG **3002**.
- (d) **Co-curricular Courses** – Undergraduate students at the UWI Cave Hill Campus are allowed to take **one (1) co-curricular course** as part of their degree programme. These co-curricular courses are offered by the **Office of Student Services (OSS)**. The list of courses offered in any semester can be found on the OSS website at <https://www.cavehill.uwi.edu/studentservices/academic-support/co-curricular-credits.aspx>. Please note that co-curricular course credits are not included in the calculation of your overall GPA. These are '**pass**' or '**fail**' courses.
- (e) **Exemptions** – A student is granted an exemption if a course done previously at a recognised academic institution is judged by the University to be equivalent to a specific UWI course in terms of scope and complexity. Please check the **Exemptions** page by clicking on the following link, <https://www.cavehill.uwi.edu/chsbm/resources/students/exemptions.aspx>, to identify any exemptions that you may qualify for, before completing your first course registration exercise.

(f) **Prerequisites** – A prerequisite is a course that must be taken before the course you are seeking to enrol for. For example, if MKTG 3001 has MKTG 2001 as a prerequisite, then MKTG 2001 must be taken and passed, before you can take MKTG 3001. The prerequisites for all undergraduate courses in the Cave Hill School of Business and Management can be viewed at the **Prerequisites** page: <https://www.cavehill.uwi.edu/chsbm/resources/students/prerequisites.aspx>.
