

COURSE GUIDE AND COMPLETE COURSE LISTS

Course Types

Undergraduate degrees in the Cave Hill School of Business and Management may comprise of:

- (a) **Core Courses** – these are fundamental to your area of study and must be completed. No other courses can be substituted.
- (b) **Options** – selections from lists of required courses. For example, you may be given a list of **four (4) options** from which you are required to choose **two (2)** of those options.
- (c) **Electives** – these are approved courses that can be selected from within the Cave Hill School of Business and Management, or from any other Department or School at the University of the West Indies (UWI) Cave Hill Campus. Typically, you will be approved to take a course as an elective, if the number in the course code begins with 2 or 3. For example, MKTG **2001** or MKTG **3002**.
- (d) **Co-curricular Courses** – Undergraduate students at the UWI Cave Hill Campus are allowed to take **one (1) co-curricular course** as part of their degree programme. These co-curricular courses are offered by the **Office of Student Services (OSS)**. The list of courses offered in any semester can be found on the OSS website at <https://www.cavehill.uwi.edu/studentservices/academic-support/co-curricular-credits.aspx>. Please note that co-curricular course credits are not included in the calculation of your overall GPA. These are '**pass**' or '**fail**' courses.
- (e) **Exemptions** – A student is granted an exemption if a course done previously at a recognised academic institution is judged by the University to be equivalent to a specific UWI course in terms of scope and complexity. Please check the **Exemptions** page by clicking on the following link, <https://www.cavehill.uwi.edu/chsbm/resources/students/exemptions.aspx>, to identify any exemptions that you may qualify for, before completing your first course registration exercise.

(f) **Prerequisites** – A prerequisite is a course that must be taken before the course you are seeking to enrol for. For example, if MKTG 3001 has MKTG 2001 as a prerequisite, then MKTG 2001 must be taken and passed, before you can take MKTG 3001. The prerequisites for all undergraduate courses in the Cave Hill School of Business and Management can be viewed at the **Prerequisites** page: <https://www.cavehill.uwi.edu/chsbm/resources/students/prerequisites.aspx>.

B.Sc. Management (Special) – Electives

Students are required to **select three (3) electives** in order to complete the requirements for the **B.Sc. in Management (Special) programme**. All electives must be from either **Level II or III**. **No Level I course can be used as an elective**.

Students are encouraged to take electives from other departments and faculties at the Cave Hill Campus in order to broaden their skillsets. You should select courses that also complement your personal and professional development.

In selecting the elective, please consult the relevant Faculty Handbook to ensure that you satisfy the requirements for registration. You **may not be able** to select some

Level II and III courses as electives because you did not take the **prerequisites** for these courses.

B.Sc. Management (Special) – Prerequisites

The Cave Hill School of Business and Management course prerequisites are provided in the **Exemptions and Prerequisites Brochure (printed)** or they can be viewed at the **Prerequisites page** which can be found by clicking on the following link: <https://www.cavehill.uwi.edu/chsbm/resources/students/prerequisites.aspx>. For any courses outside of the Department you should consult the relevant Department Handbook or Faculty Handbook for the prerequisites.
