SAFETY ON HALLS OF RESIDENCE

Safety on Halls of Residence

1. Students are reminded that there is safety in numbers and as far as possible and particularly at night they should avoid being alone on Campus or on the streets around Campus.

2. If it is not possible to arrange for company when moving around or leaving Campus at night, students should use the roadways and avoid walking along corridors or other areas where there is a greater likelihood of being attacked and where appeals for assistance may not be heard.

3. The presence of a strange or suspicious person near your residence should be reported to Campus Security's 24 hour Security Operations Control Room at 417-4164 or 417-4003 or 417-4163.

4. Residents should ensure that all their valuable property is stored in a secure place. Always keep a record of the description, value and a recent photograph of your valuables i.e (jewelry and electronic devices).

5. Residents on Halls or other approved university accommodations are reminded that the security in those areas will be as effective as the people that live there.

8. Don't let a thief make your room a shopping centre. Lock your room now.

Drivers on Campus

1. Those who drive on Campus must secure their vehicle properly before leaving to attend classes.

2. On their return they should look around the parking area and be on the look out for anyone who may be loitering in the car park.

If any such person(s) are in the area near to where the student's car is parked it may be advisable to return to the classroom or library and indicate your observations.

3. If the suspicious person(s) is some distance away from the car cautiously get into your car and drive to the nearest Security Kiosk and report your observations.

4. When driving on Campus the driver should have in his/her possession a valid Driver's Permit and Certificate of Insurance in respect to the vehicle which he/she is driving.

5. When driving DO NOT pick up anyone who is unknown to you.

Keep doors locked and the glass at a level that would make it difficult for someone to open the door if you were to stop or slow down.

3. The presence of a strange or suspicious person near your residence should be reported to Campus Security's 24 hour Security Operations Control Room at 417-4164 or 417-4003 or 417-4163.

4. Residents should ensure that all their valuable property is stored in a secure place. Always keep a record of the description, value and a recent photograph of your valuables i.e (jewelry and electronic devices).

5. Residents on Halls or other approved university accommodations are reminded that the security in those areas will be as effective as
