*Before attempting to apply for an override, please check the [registration error notice](#) to determine what action is to be taken.*

It is important that you check your class registration to ensure all schedule changes and overrides have been processed. If you notice any discrepancies, please immediately contact your Department/Faculty.

## **For Taught Masters Students ONLY**

If you have failed a component of a course(s) or cannot be registered for a course(s), you are expected to be administratively registered. Use the override portal to complete your override.

**Please note:** You must give the Admissions Office five (5) working days to process approved requests.

As a reminder, the last day to add/drop classes is **Friday, September 12, 2025**. All outstanding fees must be paid by this date, or financial arrangements must be made with the Bursary; otherwise, you will be denied access to campus services.

Thank you for your attention to this important registration notice.
