

Registration Message	Explanation	Recommended Action
Attribute on your record prevents registration, please select alternative section for this course.	There's an attribute or hold on your student record that prevents you from registering for this specific course or section.	Contact the student Affairs Admissions office or your academic advisor for more details about the attribute and how to resolve it. Override requests for this restriction will not be approved.
Duplicate Course with Section {section_number}	You have attempted to register for a course section that you are already registered in or have taken before.	Check your current and past schedules to ensure you're not enrolling in a duplicate course. Consider choosing a different section or course. Override requests for this restriction will not be approved.
Clash - You have already registered for a section at this same time.	Two or more of the courses you are attempting to register for have overlapping times.	Review your schedule and decide which course to keep and which one to drop or change to a different time slot. Override requests for this restriction will not be approved. If you are a third year student or believe your case warrants special consideration, consult your faculty office before submitting an override request.
This section is not offered at your campus.	You are trying to register for a course section that is not available at your current campus location.	Choose a section that is offered at your campus. Override requests for this restriction will not be approved.
You do not have the prerequisite(s) to take this course.	You are trying to register for a course without having completed the necessary prerequisites first.	Review the course prerequisites and consider taking them first. If you believe you have met the prerequisites, you may request an override.
Section is full. Please register for Waitlist if one is available.	The course section you're trying to register for has reached its maximum capacity.	Consider registering for another section, or, if available, add yourself to the waitlist.
Students in your Faculty cannot register for this course/section.	The course or section is restricted to students from specific faculties or programs.	Look for alternative courses or sections open to your faculty. If this course is essential for your program, you may request an override.
You have not selected one or more components of this course.	The course you are trying to register for has multiple components (e.g., lecture, lab, tutorial), and you missed one.	Ensure you select all components of the course. Typically, you will need to register for a lecture and a tutorial. Other sections you may need to select depending on the faculty and course are: Labs, class tutorial and practical.
