THE ARMS OF THE UNIVERSITY

The arms of the University consist of a shield and a crest. The background of the shield is the sea represented by blue and white wavy lines on which is an open book. The upper part of the shield is red with a lion to show the connection with the Crown. This is the lion borne by H.R.H. Princess Alice, Countess of Athlone, appointed by King George VI to be the first Chancellor, so that this appointment is recorded forever in the Arms of the University.

The crest is the brown Pelican which fishes in its prehistoric fashion along the coast of all the Caribbean Lands: the Pelican is a symbol of care for the young because of the medieval, but untrue, belief that it punctures its breast to feed its young on its blood. It is also used as a crest by the Corpus Christi Colleges of Oxford and Cambridge.

The motto is:

“Oriens ex Occidente Lux:

A Light Rising from the West”

MESSAGE FROM THE VICE-CHANCELLOR

Professor Sir Hilary Beckles
Vice-Chancellor

A very warm welcome to your new, large, diverse, geographically dispersed but digitally and otherwise connected family! Your UWI family comprises approximately 46,000 students and 5,000 staff across four campuses – the Cave Hill Campus located in Barbados, the Mona Campus in Jamaica, the St. Augustine Campus in Trinidad and Tobago and the Open campus which provides face-to-face and on-line delivery of courses and continuing professional education in more than 40 sites across the seventeen countries served by The UWI. The extended family also includes more than 120,000 alumni represented at the highest levels of government, corporate and professional life across the Caribbean and worldwide. There is probably no profession or sector of Caribbean society in which UWI graduates cannot be found. At least 17 of our graduates have risen to positions as Heads of Government or State and one is a Nobel Laureate. We boast more than 60 Rhodes scholars, and countless leaders in all the professions proudly call The UWI their *alma mater*.

The next few years are as much about academics as they are about your physical and emotional development. Establish meaningful friendships and value them. The network you build will extend beyond your years at University and some of those friendships will last a lifetime. Take every opportunity presented you to travel to another campus or another of the countries served by The UWI. The UWI Games which takes place every two years – hopefully annually in the not too distant future - is a wonderful opportunity to meet your counterparts at another campus. Additionally, we will be ensuring that all students benefit from teaching by faculty members from another campus in order to deepen your learning experience as members of a regional university. We have agreed to begin with the Foundation Courses, thereby creating a culture of cross campus teaching to bring students together across physical

boundaries and give each of you a truly regional university experience. We hope that your relationship with us will extend beyond your graduation and that you will continue to be engaged as alumni.

Each year, our new students inspire enthusiasm and hope. Your University is committed to ensuring that we deliver programmes of high quality and relevance to national and regional development. Your enthusiasm and engagement help us to stay the course. Our contributing Governments have been supportive through funds provided directly to the university and support to students. However, we are mindful of the challenges they themselves face in meeting their many obligations and The UWI has been making efforts to diversify the funding base to complement existing funding sources and to streamline operations to make them more efficient and cost effective. Your responsibility will be to ensure that the resources expended in your training are maximised as much as possible. Whether you are funded by your Governments, your families or yourselves, it is an investment in your future, in our collective future.

My best wishes to each of you for a fulfilling and rewarding experience at The UWI!

MESSAGE FROM THE PRINCIPAL

My dear students, as your new Pro Vice-Chancellor and Principal, it is my privilege and pleasure to welcome each of you to The University of the West Indies and especially to the Cave Hill Campus. In deciding to pursue your education at Cave Hill you have chosen to enter into a distinguished institution with a proud and rich heritage of commitment to teaching, research and service to the region and the world.

You have also joined a large and diverse family comprised of over fifty thousand students and more that 120,000 alumni who may be found contributing to the development of their communities, countries and professions at every level and in nearly every corner of the world.

We are all aware that our region continues to face challenging times and that many of you would have had to make serious economic sacrifices to continue your education. We commend you highly for this choice which has the ability to transform your lives and that of your families and communities.

As Principal of the Cave Hill Campus, I am pleased that you have chosen The UWI Campus by the sea. As an alumna, teacher, researcher and the leader of this great institution, I am deeply committed to your development and success and to ensuring that you are exposed to the highest quality educational experience. **You have my sincerest commitment to providing the highest standards of programme delivery and an enhanced learning environment within the constraints of our current resources. While I will not make promises that we cannot keep at this time, I can and will promise that I am committed to maintaining standards of quality assurance, actively listening to your concerns and ensuring that Faculty and Staff at all levels deliver the quality service that we have agreed to provide.**

As a student of The UWI, you have a very important role to play in the life and future of this institution. You are the fortunate beneficiary of the wisdom and contributions of those who have gone before you. You also have the responsibility of both maintaining the legacy and continuing to define The UWI of today. Even more importantly, you are being entrusted in guarding and protecting its proud legacy and ensuring the future for those who will follow in your footsteps.

MESSAGE FROM THE PRINCIPAL Continued ...

As you read through this Handbook, I hope you will actively consider the possibilities the Campus presents. You will find numerous opportunities to extend your learning and research inside and outside of the classroom. Use the opportunity to venture beyond your comfort zone. Take an active part in your education and make the time to reflect on who you are and who you are trying to become. Wherever possible, take classes in areas that introduce you to fields and ideas outside of your majors and which will help you develop new ways of thinking and understanding. Participate in activities you have never tried and seize all opportunities to reach out to and connect with people who are different from you.

We all know that in the early days, life on Campus may seem to be confusing and sometimes overwhelming. Remember that there are many persons available to help you work through these moments both academic and otherwise. We want you to remember that we are all here to serve and that we have complete faith in your abilities and future. Welcome to this new academic year. Make it exciting, fulfilling and rewarding.

Very best wishes for a healthy, happy and productive period of study.

THE UNIVERSITY OF THE WEST INDIES, CAVE HILL CAMPUS IN BRIEF

The University of the West Indies (UWI) is a regional university serving the English-speaking Caribbean countries of Anguilla, Antigua and Barbuda, Barbados, Belize, Bermuda, Dominica, Grenada, Jamaica, Montserrat, Federation of St. Kitts and Nevis, St. Lucia, St. Vincent and the Grenadines, The Bahamas, The British Virgin Islands, The Cayman Islands, The Turks & Caicos Islands and Trinidad & Tobago. The University started in Jamaica in October, 1948 as the University College of the West Indies, in a special relationship with the University of London. It was subsequently granted University status in 1962. Colleges of Arts and Science were established at St. Augustine in Trinidad in 1962 and at Cave Hill in Barbados in 1963.

The University started in Jamaica in October, 1948 as the University College of the West Indies, in a special relationship with the University of London. It was subsequently granted University status in 1962. In the following year Colleges of Arts and Sciences were established at St. Augustine in Trinidad and at Cave Hill in Barbados.

The Cave Hill Campus began in 1963 as the College of Arts & Science in temporary quarters at the Deep Water Harbour, Bridgetown. In August, 1967, the College moved to its present site at Cave Hill. The College became a full campus with the establishment of the Faculty of Law in 1970 and the name was changed to the Cave Hill Campus of The University of the West Indies.

The main Campus is currently located on 47 acres of land which the UWI holds on long-term lease from the Government of Barbados. The Campus was originally designed to accommodate about 500 students. The present enrolment is approximately 9,000. The physical expansion has taken place in a manner sympathetic to the original architectural design of low-rise buildings, simplicity and orderliness. This, combined with the scenic attractiveness of the site, and the relatively small size of the University community has resulted in an atmosphere of intimacy and friendliness which is immediately felt by visitors to the Campus.

In 2008 the Government of Barbados granted an additional 33 acres of land contiguous to the existing campus, which the University is currently in the process of developing. The Graduate Studies Teaching Complex and the new FIFA-rated football field are located on this site. With subsequent lease arrangements with Government and a private donation, the land area of the Campus has expanded to approximately 98.12 acres.

From its nascence in 1963 as the College of Arts and Science, the Campus has become a leader in tertiary education in Barbados and a beacon of academic excellence throughout the region as well as internationally.

In 2013 Cave Hill celebrated its golden anniversary and reflected with pride on its contribution to regional development and the upliftment of Caribbean people.

BARBADOS in brief

- Barbados is the most easterly island of the Caribbean island chain. The closest islands are St. Vincent & the Grenadines and St. Lucia which are located to the west, and Trinidad and Tobago located to the south. Barbados is located approximately 2,573km (1,600 miles) southeast of Miami, Florida.
- The island is 430 sq. km (166 sq. miles), measures 33.79km (21 miles) long by 22.53km (14 miles) wide and is divided into eleven parishes. The capital city, Bridgetown, is located in St. Michael. Historic Bridgetown and the Garrison area were designated a World Heritage Site in June 2011.
- Barbados falls within the Atlantic time zone. The standard time is Greenwich Mean Time minus four hours. Barbados has no daylight saving time.
- Bounded by the Caribbean Sea and the Atlantic Ocean, Barbados enjoys north-east trade winds all year which help to keep the island cool. The climate is warm throughout the year, with a dry season from December to May, and a rainy season between June and November. The average temperature is 28 degrees Celsius (82.4 degrees Fahrenheit),
- Barbados was first inhabited by the Arawak Indians who migrated from Venezuela. It is believed that they inhabited the island from 350-400 BC. When the British arrived in 1625 they found the island uninhabited and they claimed it in the name of King James I. Two years later on February 17, 1627 the first settlement landed on the West coast of the island near what is now Hometown (formerly Jamestown).
- Barbados has been a sovereign independent state within the Commonwealth since 1966 when full independence was gained from Britain. However, ties to the British monarchy are still maintained through the Governor-General.
- The government of Barbados is a parliamentary democracy where the political party with the greatest representation in parliament forms the government. The leader of government is the Prime Minister, who selects a cabinet from party members in the legislature. The first leader of Barbados as a independent nation was the Right Excellent Errol Walton Barrow. The current Prime Minister is The Honourable Freundel Stuart, M.P.

MENTORSHIP

The Mentorship Programme was established in 1994/95 academic year to increase the number of experiential learning opportunities available to students. The mentorship programme allows students to interface with professionals and gain increased practical knowledge about their chosen discipline and possible routes to gain both personal and professional development. It also helps students to link theoretical knowledge with practical experiences.

Many distinguished professionals including politicians, economists, accountants, lawyers, insurance executives, teachers, doctors, among others, participate in the programme. Students in their second or final year of study are given preference.

INTERNSHIP PROGRAMME

The internship programme provides on the job training, where students gain valuable work experience while exploring their career choice. Some interns find permanent, paid employment with the organizations with which they intern. Employers can also benefit significantly, as experienced interns often need little or no training when they begin regular employment.

In addition, the programme enables the University to forge links with the professional community and gain feedback relating to the strengths and weaknesses of our young professionals, with the objective of developing more purposeful academic programmes to meet present and emerging employment needs. The programme also affords students the opportunity to build a network in the business community.

PERSONAL ACADEMIC CAREER ENRICHMENT (PACE)

PACE aids students to develop the skills to map a personal and career success plan.

PACE Workshops Explore:

1. Peer Support from students who share(d) similar challenges.
2. The skills to critically evaluate ones methods of learning.
3. Skills to maintain and forge healthy relationships.
4. Insight into the power of working in groups.
5. The ability to chart successful and comprehensive career and life plans.

RAPS helps students to develop critical thinking skills and effective study skills.

RAPS Workshops Explore:

1. Reinforcement of critical reading and thinking and problem-solving skills.

2. Steps to possessing academic and personal integrity.
3. The skills to collectively generate new solutions to problems.
4. Techniques to plan for future careers.
5. The opportunity to acknowledge and honour individual abilities.

STUDENTS HELPING STUDENTS

Undergraduate Students are trained to be resource persons for fellow students who may be experiencing a problem or crisis. Student helpers are selected by an application process.

Opportunities for training are offered through two mediums:

- Basic Peer Helping course (COCR 2071). On completion, you may apply to become a student helper.
- Peer Helping Workshop. Once selected, you will be required to participate in a workshop. This will be offered prior to the beginning of semester II of each academic year.

Many students who have participated in this training indicated that it has assisted them in their personal lives.

CO-CURRICULAR CREDITS

Undergraduate Students in Level 2 and Level 3 of their programme are eligible for Co-curricular credits.

Co-curricular courses are leadership, sporting and creative activities that promote personal and professional development and allow students to pursue their social interests and earn credits while having fun. STUDENTS UNION

The Students' Union is managed by the Guild Council and by extension the Union Committee Chairperson. The Union is the centre for student activities and entertainment.

The Students' Union is more than just a spot for Union Socials and Fetes. It's the place for cultural experiences, and to relax and unwind after or during a stressful day of classes. You can "slam-a-dom," shoot pool, tune into cable TV, play games or simply take part in some interesting debates.

The Union is always a hive of activity during the semester and especially when the activities for the clubs, societies and faculties are scheduled.

Come, "**BE KNOWN**". Your full participation is essential.

STUDENT CLUBS & SOCIETIES

Student organisations and activities are a vital part of University life and are organised and controlled through the Guild of Students. These are academic societies catering to the special interests of students as well as artistic and cultural societies.

The membership fee for a full member of the Guild of Students is Bds\$60 per semester, payable with your other University fees at the beginning of Semester I. This fee will allow persons access to various privileges such as full access to the Guild Lounge Area and Voting and Candidacy Rights at Guild Elections.

The Student Societies are coordinated by the Inter-Clubs Committee while the Games Committee coordinates the sporting activities. Students are encouraged to join the Sports Clubs, Social Clubs, Island Associations, Cultural Clubs, Service Clubs/ Volunteer Organisations, "Hobby" Clubs, Academic Campus Associations & Societies or any other club of their liking.

SPORTS AND GAMES FACILITIES

The sports programme at Cave Hill offers a range of sports including athletics, water sports (sailing, scuba, windsurfing and swimming), football, cricket, volleyball, netball, lawn tennis and basketball.

UWI Games are held every two years with all three campuses competing in several sports. The games are held on each campus in rotation. The Cave Hill Campus is presently the reigning champion for these games.

The 3Ws Oval, named in honour of the three Barbadian cricketing greats, Worrell, Weekes and Walcott, was officially opened in 2003. The facility offers an attractive cricket pitch and field, which meet international standards, as well as a cricket school comprising six indoor and two outdoor nets. There is also a “Walk of Fame” monument celebrating West Indies cricket and a charming “verandah” for watching sports activities on the cricket and football fields.

OTHER FACILITIES

Guild facilities include drink machines, food service (open everyday until 7.00pm), Hair Salon, Smoothie Bar and Guild Bar.

GUILD PUBLICATIONS

The Publications Committee provides an integral and active component of student life on Campus. With publications such as *THE CAVE Newspaper*, *Freshers’ Guide* and the *Calendar of Events* as examples, students are well informed of all aspects of Campus life. Your contribution of articles, things of interest, ideas and comments for the publication is always welcome. These submissions can be sent to **guildpcc@mycavehill.uwi.edu**.

CIVIC ACTIVITIES

The Guild is actively involved in the international and regional struggles of students, as well as community outreach projects, such as The UWI Summer Camp for Children. Most importantly, the Guild represents students in disputes arising between themselves and the administrative body of The University of the West Indies.

Orientation – Guild Council members and student volunteers assist new students with their registration and organise Campus tours in an effort to make the registration exercise and settling-in as pleasant and painless as possible.

Freshers' Week – This is a fun-filled week of activities designed to welcome new students to our host country and to the lighter side of Campus life. These activities provide excellent opportunities to get out, find out, hang out and make friends. So come and enjoy the fun.

Freshers' Week of Activities:

- Orientation
- Island Tour
- Cocktail Reception
- Registration Assistance
- Clubs & Societies
- Gospel Fest
- Karaoke
- Freshers' Fete
- Guild Talks (Lecture/Panel discussion)

Please look out for notices of dates and times of events.

CULTURAL ACTIVITIES

International Students' Day is celebrated annually on November 17. This day should be significant to all students as a symbol of what students of the world are fighting for or against at the local, national and regional level. Issues include the struggle for social justice, the fight against fascism and all other forms of dictatorship and discrimination, the fight for peace, justice and equality combined with the right to education and its liberating potential.

Events to celebrate this day include cultural and academic activities, bazaars, fairs and Woodstock. (Great bargains on jewellery, clothing and food).

Caribbean History Month is celebrated in the month of February. This month is used to heighten students' awareness of important events in the development of Caribbean people and society.

Carnival

This is the most anticipated activity on the student's calendar. Students and staff alike enjoy the camaraderie of the Calypso Competition, the Jump Up Day & After Fete, and the Carnival King & Queen Show.

Activities for Carnival include:

- Calypso Competition
- Treasure Hunt
- Carnival Lime
- J'ouvert
- Carnival Jump-up & After Show

These are only a few of the customary carnival events that are held.

Come enjoy the activities. A full schedule of Guild Activities is available from the Guild Office.

Remember, the Guild can only function effectively with your FULL SUPPORT. You must make a conscious effort to support the Guild to ensure its continued relevance to the needs of the student body and the institution of The University of the West Indies.

Please feel free to visit the Guild Office between the hours of 9:00am and 5:00pm. We are always willing to answer questions, deal with your problems, or offer advice.

TRANSPORTATION

Shuttle Service and Park-and-ride

To assist with the acute shortage of parking spaces available on Campus, a Park and Ride System is in effect at Cave Hill.

Students are strongly advised to park at the National Cultural Foundation (NCF) parking lot and board a University-provided shuttle for the short journey to Campus. This student-only service is provided free of cost. ID cards must be presented upon boarding the shuttle. Shuttle schedules for the new academic year will be posted on the Office of Student Services Website and on Notice Boards around Campus.

The NCF shuttle begins at 7:45 am and continues through to 10:15 pm at half hour intervals.

Campus Bus Service

Our aim remains to ultimately assist in the safe and timely commute of the student population to and from the city centre and the immediate surroundings of the Campus.

The Bridgetown UWI Bus service begins at 7:15 am and continues at half hour intervals until 11:15 pm. The buses make drop offs and pick ups at both Probyn Street and Lower Broad Street and return to campus. Students going to the Graduate Studies Complex at Black Rock should check the schedule for the relevant timetable.

The Warrens Circle bus route begins at 4:15 pm and continues half hourly through to 11:15 pm.

There is ongoing effort to continue to enhance the management and scheduling of the buses to ensure quality service to students.

Notes on the Barbados regular bus services

Regular bus services are operated by the government owned Barbados Transport Board, which services the entire island, and by privately owned and operated minibuses. Both services are available up to about 11:00 pm daily. The Campus is located on **Route 24 "Wanstead Drive"**. This route begins in Bridgetown, Cheapside Bus Terminal and runs along University Crescent to Wanstead Drive in Cave Hill. Bus fare is Bds\$2.00 for a one-way trip.

Due to legal implications, students are asked to note that they should embark and disembark from buses at bus-stops ONLY.

STUDENT CHARTER

www.cavehill.uw.edu/chol

Preamble

The University of the West Indies (UWI) Cave Hill Campus Student Charter establishes the standard of provision that students can reasonably expect at The UWI Cave Hill Campus. It guides all employees as they provide, or support the provision of, academic programmes and administrative, professional, technical or support services. Alcohol Policy

University-Wide Policy

In our pursuit of excellence, intellectual and social development through education, the administration of Cave Hill Campus expects those within its community to be responsible with the use of alcohol. This policy shall guide the use of alcohol everywhere on the properties of this Campus and at all events sponsored by this University. Students and staff members are encouraged to learn about the social, physiological, and psychological consequences of drinking and alcohol abuse. Excessive and high-risk drinking can lead to negative consequences for members of the university's community. Such consequences may include but are not limited to incidents of assault, illness, injury, litter, noise, property damage, and driving under the influence. We all share responsibility for creating an environment that limits dangerous drinking behaviours and, therefore, reduces the likelihood of negative outcomes.

The following shall guide the use of alcohol on Cave Hill Campus:

- All possession, consumption, and distribution of alcohol on this Campus shall be in accordance with applicable Laws of Barbados.
- All members of this Campus are responsible for behaving in a manner that is not disruptive or endangering to themselves or others. Being under the influence of alcohol shall not be a mitigating factor for an individual's behaviour.
- When persons under 21 years of age can reasonably be expected to be present at an event, proper precautions must be taken to restrict distribution and consumption of alcohol to persons of legal drinking age. Student associations shall adhere to the specific guidelines for events outlined in the regulations governing the holding of student fetes and social events at the Cave Hill Campus.
- Advertising or other communication that references the availability of alcohol at a function must neither promote alcohol as the focus of the event nor promote excessive drinking.

Underage Possession/Consumption:

- Students under 21 years of age are not permitted to purchase, possess, or consume alcoholic beverages. Being under the influence of any amount of alcohol while underage is considered a violation of this provision. The Guild Council, Island Associations or other groups are considered in violation of this provision if they facilitate the acquisition of alcohol by anyone under the age of 21.

Unsafe / Irresponsible Behaviour:

- Unsafe or irresponsible behaviour is defined as any actions that is harmful or potentially harmful to one's self or others involving the use of alcohol. Such behaviour includes, but is not limited to:
- consuming an excessive quantity of alcohol in a short amount of time;
- participating in or facilitating drinking games;
- consuming through beer bongs;
- use or attempted use of fraudulent identification or another's identification to obtain alcohol; and
- making alcohol available to underage drinkers.

Community Expectations Violation:

It shall be a violation of the alcohol policy to engage in an action while under the influence of alcohol that is disruptive to the community. Such behaviour includes, but is not limited to:

- driving; exhibiting disorderly conduct, damaging property, and/or fighting; littering;
- running away or hiding from university or public officials, including Campus Security or members of the Royal Barbados Police Force;
- vomiting and/or urinating in public; and
- cursing and/or shouting at others.

General Provisions Violation:

The University has established the following general provisions regarding alcohol:

- No kegs are permitted on campus in private rooms, student apartments, commons rooms, or other public space. (Only University-approved bartenders, who will be responsible for and distribute alcohol from kegs in public space at officially approved events.)
- Only university-approved bartenders are permitted to distribute alcohol on campus, including alcohol from common-source containers.
- Except at events in a licensed facility providing a cash bar, no spirituous liquor or fortified wines may be served to either undergraduates or graduates.
- All students on university property consuming or possessing alcohol must carry a valid University identification card or Driver's license.
- Alcohol may not be brought in glass containers to on-campus events.
- No alcoholic beverages are permitted on the surrounding grounds of Campus.

- No alcoholic beverages are permitted within the confines of campus athletic facilities during sporting events.
- The use of alcoholic beverages as a prize is prohibited.

Health and Safety Intervention:

Because health and safety of students are of primary importance, students are encouraged not only to look out for their own health and safety but also for that of their peers. When a person's health and/or safety is/are threatened or appear(s) to be in jeopardy, immediate action should be taken to prevent injury/illness/danger. Your action may be a call to Campus Security at 417-40003/4164 or the Health Clinic at 417-4170/4171 or the Psychological Counselor at 417-4169 for assistance and guidance.

Whatever the particular need/problem, it is important to respond in a responsible and timely manner.

Formal disciplinary action for a violation of the alcohol policy will not be taken against students for whom medical assistance is sought, or against those who seek medical assistance for themselves or for others, provided that the student/group has not violated other university policies that warrant formal disciplinary action.

A student who receives medical assistance may be required to meet with a substance abuse specialist in Counseling or a Counselor from the Office of Student Services for education, assessment, and possible referral for treatment. The student may also be required to complete an educational assignment. Parents of such students under the legal drinking age may also be notified. Members of Island Associations or group who facilitated the acquisition of alcohol may also be required to notify the Office of Student Services and participate in an educational programme for its members, and/or change its processes for hosting events.

In the event that a student fails to meet with the specialist, chooses not to participate in the treatment programme outlined, or exhibits a pattern of abusive behaviour with alcohol, the student may be subject to formal disciplinary action and/or placed on a Medical Leave of Absence or Involuntary Administrative Withdrawal until he/she produces documentation that appropriate treatment has been successfully sought.
