REGISTRATION INFORMATION

Please examine the Registration Schedule for further information and deadlines for Semester II.

Important Registration Requirements:

- **Credit Requirements:** Ensure you have the required number of credits when attempting to register
- **Academic Standing:** Contact your academic advisor or department if you cannot register due to your academic standing
- **Alternative PIN:** Contact your advisor if receiving an alternative pin is necessary before registering
- **Banner 9 Planning:** Use the planning function in Banner 9 Student Self Service to create a draft schedule before registering.

PAYMENT OF FEES

You are reminded that **all registration fees are due and payable before registration**. Please review the financial information and payment options available.

We encourage you to read the Undergraduate Financial Information 2025-2026 booklet, along with details regarding scholarships and awards. [Click here](#) to access the Financial Information Booklet.

GENERAL INFORMATION

For additional registration information and resources, please visit our comprehensive registration portal.

Critical Reminders

CHOL Registration Only: Your enrollment in a course is only considered valid if it is documented on CHOL and not eLearning. You will not be permitted to take examinations without registration in CHOL.

Confirm Registration: Please confirm your course selection before proceeding to register for your courses.

Formal Registration Required: You must make sure that you are formally registered for each course you are taking.

Need Assistance?
